

The background of the book cover is a cubist-style illustration. On the left, there's a tall, white, pointed tower, possibly a lighthouse or a church spire, set against a backdrop of warm, orange and red tones. Below the tower, there are blue and green shapes that suggest a cityscape or a body of water. In the foreground, a large, stylized face with a serious expression is depicted in shades of green and yellow. The face is looking towards the left. The overall composition is abstract and dramatic, with a mix of dark and light colors.
