reading lists and color visual displays designed to enhance the learning experience and strengthen student engagement and comprehension

The Small Business Guerrilla Guide to Six Sigma Jay Arthur, 2003-08 Thinking about Six Sigma but worried about the exorbitant costs The Small Business Guerrilla Guide to Six Sigma will show you why the conventional big business strategy for implementing Six Sigma is wrong for small business So how can small businesses out fox the big ones By doing the opposite To get big benefits fast set big hairy audacious goals not incremental ones To boost return on investment narrow your focus To increase adoption of Six Sigma reduce the number of people involved To accelerate Six Sigma get commitment from your informal leaders not the formal ones To maximize learning minimize training According to the SBA small businesses provide 75 percent of the net new jobs added to the economy represent 99.7 percent of all employers employ 50.1 percent of the private work force provide 40.9 percent of private sales in the country account for 39.1 percent of jobs in high technology sectors in 2001 account for 52 percent of private sector output in 1999 represent 97 percent of all U.S. exporters If Six Sigma is truly yielding huge savings for the companies that use it then it stands to reason that small businesses need Six Sigma in order to achieve the kind of cost savings and increased profitability enjoyed by large company Six Sigma practitioners Dirk Dusharme

The Six Sigma Manual for Small and Medium Businesses Craig W. Baird, 2009 Six Sigma is a set of practices used to systematically improve processes by eliminating defects which is any nonconformity of a product or service to its specification To be Six Sigma compliant a company must produce no more than 3.4 defects per one million products If this can be achieved a company has the potential to save billions of dollars just as Motorola did The global communications company reported over 17 billion in savings in a recent yearly report and over the past decade companies like Bank of America Caterpillar Honeywell International Raytheon Merrill Lynch and General Electric have implemented the practice However it is much more difficult to implement Six Sigma in small and medium sized businesses but it is becoming increasingly important to do so as larger companies now require their supply bases to be Six Sigma compliant In The Six Sigma Manual for Small and Medium Businesses you will learn about the two main methodologies involved with Six Sigma DMAIC Define Measure Analyze Improve Control and DMADV Define Measure Analyze Design Verify as well as various other methodologies advocated by companies around the world including DCCDI CDOC DCDOV DMADOV DMEDI and IDOV You will also learn about black green and yellow belts the key roles for successful implementation cost savings training responsibilities and terms specific to Six Sigma In addition you will learn how to avoid the common pitfalls and traps found during implementation how to understand the statistical tools and problem solving techniques and how to become certified Also included are detailed examples diagrams and practical exercises to help you master the concepts of Six Sigma Ultimately you will discover how to improve the quality of your processes and products while increasing customer satisfaction and saving billions of dollars The Six Sigma Manual for Small and Medium Businesses is for the company that has already implemented the process an organization who may be considering it students who want

to learn it to make themselves more marketable and business professionals who need a refresher course Whatever your reason for reading this book you will find practical advice and tips for successfully learning about and implementing Six Sigma Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president e tm s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed **Small Business Management** Timothy S.
