**Glyn Davis, Kay Dickinson, Lisa
Patti, Amy Villarejo**

Skid Row No Frills:

Skid Row Joseph H. Werner Jr.,2011-07-15 The bum who put the touch on JoJo was just like any other bum on Skid Row red faced in clothes that didn't fit and with the shakes a condition that only a drink could still The line was the same with all of them and they always targeted JoJo for his big heart I ain't it in two days they'd beg to JoJo but he knew if he parted with the quarter that is if he even had one to part with the bum would head straight for the nearest liquor store or beer joint Set in Memphis Tennessee during the Great Depression Skid Row follows the lives of a group of laborers known as tinnies There was Jew Bill Shorty Fingers Grinder Swede and Junior among others some said to be as ugly as homemade sin Also known as down and outers these men never missed a chance to gawk at the high steppers prancing in and out of the flophouse across the street from the tin shops Yet they treated the lovely shapely Reba the Widow Hanna and the innocent Betty Jo with more respect All the while these were men trying desperately to make it to the next payday fighting within themselves whether to put food on the table for the family or use the last bit of pocket change for a much needed drink Teeming with vivid narrative about a lively yet lonely street from a time and place long forgotten Skid Row is told through the eyes of a young lad growing from teenager to manhood while working in his father's tin shop Joe Werner has filled his first novel with humor and yearning in his own unique bare knuckled voice With no subtlety or pretense Werner makes you root for a group of people struggling to simply exist in this gritty entertaining novel of bygone days Joe Werner was born and raised in Memphis Tennessee and worked until retirement as a tinsmith and contractor When taking a break from writing Joe and his wife Amelia travel the world and play golf These days he's busy working on his next novel For more on Joe please visit his website at www.joewerner.com *Skid Row Serenade* J.S. Cook,2015-08-14 In the tradition of novel noir nothing is ever quite as it seems Novelist and war hero Tony Leonard sees private investigator Edwin Malory being mugged outside a seaman's mission in downtown Los Angeles so he takes him home and gives him clean clothes and access to a hot shower It doesn't take him long to discover Malory was hired by wealthy industrialist Linton Vanderbilt Stirling the father of Tony's estranged wife Janet The reason for this is simple Tony's father in law suspects him of drinking away his daughter's personal fortune On a whim Tony drops in on Janet one night and finds her naked dead and tied up her skull beaten in Horrified Tony flees the scene knowing that as her husband he is the number one suspect in the killing He sees only one way out He needs to fake his own death And who better to send his suicide note to than Edwin Malory **Watch You Bleed** Stephen Davis,2008-08-26 The New York Times bestselling epic tale of the last great rock band From the bestselling author of Hammer of the Gods comes the complete story of Guns N Roses from their drug fueled blastoff in the 80s to the turbulent life of legendary singer Axl Rose and his fifteen year multimillion dollar quest to make the perfect hard rock album Riotous world tours Drug induced rampages One hundred millions albums sold In his sixth major rock biography Stephen Davis details the riveting story of the last great rock band Watch You Bleed documents the life of every band member including the improbable story of W Axl Rose

Davis brilliantly captures the Guns raw power from the gutters of Sunset Strip to the biggest stadiums on the planet Based on exclusive interviews private archives and packed with stunning revelations Watch You Bleed is the savage definitive and highly unauthorized story of Guns N Roses For the first time millions of fans will learn the whole truth about this legendary band The Encyclopedia of Popular Music Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day **The Age of the Bachelor** Howard P. Chudacoff,2020-12-08 In this engaging new book Howard Chudacoff describes a special and fascinating world the urban bachelor life that took shape in the late nineteenth century when a significant population of single men migrated to American cities Rejecting the restraints and dependence of the nineteenth century family bachelors found sustenance and camaraderie in the boarding houses saloons pool halls cafes clubs and other institutions that arose in response to their increasing numbers Richly illustrated anecdotal and including a unique analysis of The National Police Gazette the most outrageous and popular men s publication of the late nineteenth and the early twentieth century this book is the first to describe a complex subculture that continues to affect the larger meanings of manhood and manliness in American society The figure of the bachelor with its emphasis on pleasure self indulgence and public entertainment was easily converted by the burgeoning consumer culture at the turn of the century into an ambiguously appealing image of masculinity Finding an easy reception in an atmosphere of insecurity about manhood that image has outdistanced the circumstances in which it began to flourish and far outlasted the bachelor culture that produced it Thus the idea of the bachelor has retained its somewhat negative but alluring connotations throughout the rest of the twentieth century Chudacoff s concluding chapter discusses the contemporary singles scene now developing as the number of single people in urban centers is again increasing By seeing bachelorhood as a stage in life for many and a permanent status for some Chudacoff recalls a lifestyle that had a profound impact on society evoking fear disdain repugnance and at the same time a sense of romance excitement and freedom The book contributes to gender history family history urban history and the study of consumer culture and will appeal to anyone curious about American history and anxious to acquire a new view of a sometimes forgotten but still influential aspect of our national past *Bowker's Complete Video Directory, 1999* ,1999 *Videohound's Golden Movie Retriever, 1995* Gale Group,Gale Research Company,1995 The media is mad about the Hound and his mad insightful movie reviews This 1995 collection lists more than 23 000 movies on video 1 000 new to this edition full videographies for 26 000 stars over 4 000 music videos contact information for 400 distributors and includes videographies of 5 000 screenwriters and composers

A Pair of Wings Carole Hopson,2024-08-20 An airline captain crafts a riveting adventurous novel inspired by the remarkable true life of pioneer aviatrix Bessie Coleman a Black woman who learned to fly at the dawn of aviation and found freedom in the air A few years after the Wright brothers first flight Bessie was working the Texas cotton fields with her family when an airplane flew over their heads It buzzed so low she thought she could catch it in her hands Bessie was

fearless She knew there was freedom in those wings The daughter of a woman born into slavery Bessie answers the call of the Great Migration She moves to Chicago where she wins the backing of two wealthy powerful Black men Robert Abbott creator and publisher of the Chicago Defender and Jesse Binga the founder of Chicago's first Black bank Abbott becomes her mentor while Binga becomes her lover Her true first love though remains flying But in 1920 no one in the United States will train a Black woman to fly So twenty eight year old Bessie learns to speak French and sets off for Europe Two years ahead of Amelia Earhart Bessie earns her pilot's license and later she learns death defying stunts from French and German dogfighting combat pilots While she finds no prejudice in the air Bessie wrestles with other challenges on the ground A plane crash nearly kills her her brothers seem to be crumbling under the weight of Jim Crow and while grappling with tough truths about Binga Bessie begins to wonder if the freedom she finds in the sky means she must otherwise fly solo With tenderness and mastery Carole Hopson imagines the breathtaking moxie Bessie Coleman harnessed in order to lift herself out of poverty and become known as Queen Bess

Sight and Sound, 1994 Drugging the Poor Merrill Singer, 2007-08-10 Singer offers a fresh set of ideas for understanding how the global socioeconomic system insures that massive quantities of psychotropic drugs reach the poorest sectors of American society Drugging the Poor provides a unified theoretical framework to assess how all drugs including tobacco heroin alcohol cocaine and diverted pharmaceuticals contribute to maintaining social inequality among the wealthier and poorer social classes in American society Singers analysis rejects conventional approaches that see tobacco or alcohol manufacturers and distributors on the one hand and drug cartels and mafias on the other as completely different entities Instead he shows how legal and illegal drug corporations share key features and follow the same economic principles He also emphasizes that mixing legal and illegal drugs to self medicate against social discrimination poverty and structural violence offers short term relief but in the long run it functions to maintain an unjust and oppressive system Drugging the Poor actively challenges the assumption that how things are is how they always have been or how they need to be

Southern California Quarterly, 2009 **Play the Way You Feel** Kevin Whitehead, 2020-04-01 Jazz stories have been entwined with cinema since the inception of jazz film genre in the 1920s giving us origin tales and biopics spectacles and low budget quickies comedies musicals and dramas and stories of improvisers and composers at work And the jazz film has seen a resurgence in recent years from biopics like Miles Ahead and HBO's Bessie to dramas Whiplash and La La Land In Play the Way You Feel author and jazz critic Kevin Whitehead offers a comprehensive guide to these films and other media from the perspective of the music itself Spanning 93 years of film history the book looks closely at movies cartoons and a few TV shows that tell jazz stories from early talkies to modern times with an eye to narrative conventions and common story points Examining the ways

historical films have painted a clear picture of the past or overtly distorted history *Play the Way You Feel* serves up capsule discussions of sundry topics including Duke Ellington's social life at the Cotton Club avant garde musical practices in 1930s vaudeville and Martin Scorsese's improvisatory method on the set of *New York, New York* Throughout the book Whitehead brings the same analytical bent and concise witty language listeners know from his jazz segments on NPR's *Fresh Air* with Terry Gross He investigates well known songs traces the development of the stock jazz film ending and offers fresh often revisionist takes on works by such directors as Howard Hawks John Cassavetes Shirley Clarke Francis Ford Coppola Clint Eastwood Spike Lee Robert Altman Woody Allen and Damien Chazelle In all *Play the Way You Feel* is a feast for film genre fanatics and movie watching jazz enthusiasts
