George B. Kuhns, 2018-07-17 The Great Recession of 2008 humbled many good men Once featured on the front pages of New York's business and society papers Jack Davis had spiraled downward in the aftermath of the crisis How far will someone go to get their reputation back Jack is about to find out Exiled to the last remnant of his investment empire a rusty silicon smelter in the Chinese jungle north of the Burmese border his comeback seems far fetched But it's either take his best shot or crawl away from the world in shame At first his prospects appear grim Asked when they could earn a profit his general manager answered In China no one make money in regular business Make money other ways When Jack discovers his employees are using the company's trucks to run jade from Burma over the border to China his first instinct is to clean house until he learns they're making more money running jade than he is smelting silicon Jack's jade buyer tries to warn him The problem is it's never just running jade the man said Jade leads to other things way beyond your control You're a foreigner for God's sake Set in a dangerous once obscure corner of the world that has recently vaulted to prominence South of the Clouds tells the story of an American forced to choose not between right and wrong there's no legal here but between the predictable and the unknown between a stale life or one with Mei the beautiful karaoke girl with a past and the woman he loves Wall Street isn't only about greed and cynicism There are heroes there too **American Insurance Digest and Insurance Monitor**, 1920 **Great Superior** Fang Tian, 2019-11-27 Du Lei was working on the jade feng shui street and had watched his shop suffer

**Birds in the Hand** Kent Nelson,Dylan Nelson,2005-10-19 A unique anthology of avian literature From the myths of ancient Greece to the fables of Aesop from Chaucer to contemporary poetry and fiction birds are central to literature because they connect us intimately to the natural world Whether we watch birds at our feeders travel vast distances to identify rare species or simply pause in a busy day to listen to the coo of a dove or the trill of a warbler birds sustain us Birds in the Hand

is a collection of contemporary fiction and poetry that explores the complex often startling ways in which birds shed light upon our lives In work from a diverse and celebrated group of contemporary authors such as Charles Baxter T C Boyle Jim Harrison Flannery O Connor Pattiann Rogers Seamus Heaney Derek Walcott Ethan Canin and Jorie Graham birds are sources of inspiration confrontation and revelation These stories and poems take us from New York and Hoboken to the Salton Sea and the wilds of Montana from a hardware store to the westernmost Aleutian island from a prison to marshes forests and seacoasts Field guides and natural history books cannot capture the essence of why birds thrill us Birds in the Hand uses the vitality and nuance of fiction and poetry to get at the heart of our mysterious sense of birds and the way they can reflect the brightest and darkest aspects of our own natures     *one sitters* ,
