Pfeiffer, 2013-01-15 Fly fishing can be an incredibly exciting and rewarding activity but it is also very challenging requiring skill planning and perhaps a little bit of luck Catching the big one requires plenty of preparation from choosing the right gear to scouting locations and managing travel Whether you're fishing in freshwater streams or large bodies of saltwater wading near the banks or drifting in a boat The Big Book of Fly Fishing Tips rigging your fly outfit fighting landing and releasing a fish casting under a range of different conditions unsnagging ties and more Discover the wealth of tools and methods used to tie a wide variety of flies with essential details on legs tails bodies and wings With full color photos providing detailed illustration for hundreds of tips tricks and strategies you're sure to be fully prepared for every fly fishing scenario and situation No angler will want to be without this indispensable reference *Fly-Casting Finesse* John L. Field, 2015-04-21 Fly Casting Finesse reveals expert John L. Field's secrets of fly casting based on modern observation Field's experience as an angler and casting teacher and his collaboration with international members of casting clubs and schools Whether the reader is a salt or freshwater angler Fly Casting Finesse will help the caster increase accuracy and distance as well as hone presentation It runs the gamut from one hand spey techniques to dealing with wind on the flats Although not a complete casting curriculum the purpose of the book is to help anglers learn how to achieve more and know where to get assistance Many of the skills at the highest levels of fly casting require an educated sense of feeling in the rod hand that enables the caster to use finesse and seemingly minimal effort to manipulate the rod and line The book will guide people down the path of acquiring that magical touch According to Field's philosophy readers should first learn all casting styles and techniques to adapt them for any species and location they encounter and secondly they should know the history and purpose of presentation so they can be innovative in the future In applying this book to angling he's not trying to teach the reader how to catch more fish he's trying to help the reader catch the fish he or she wants Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes
