American Slavery: A Very Short Introduction Heather Andrea Williams, 2014-10-06 Europeans Africans and American Indians practiced slavery long before the first purchase of a captive African by a white land owner in the American colonies that however is the image of slavery most prevalent in the minds of Americans today This Very Short Introduction begins with the Portuguese capture of Africans in the 1400s and traces the development of American slavery until its abolition following the Civil War Historian Heather Andrea Williams draws upon the rich recent scholarship of numerous highly regarded academics as well as an analysis of primary documents to explore the history of slavery and its effects on the American colonies and later the United States of America Williams examines legislation that differentiated American Indians and Africans from Europeans as the ideology of white supremacy flourished and became an
