New Testament Micro-Ethics Raymond Kemp Anderson, 2018-10-09 Anderson shows how Early Christians faith took root in a multicultural world just as diverse and conflicted as our own Their basic attitude turns out to have been one of astounding freedom not a cultus of rules but a matter of whole hearted response for they lived in conversation with the One whose love for all his wayward creatures is utterly tenacious We find ourselves continually surprised by an insistent grace that treasures all persons equally while exposing and deposing our evil Such faith still evokes basic confidence and we find ourselves ever again moved by gratitude and trusting each others Christ emboldened freedom If we are embraced by grace our becoming great again can only mean unlimited concern for all and free flowing interactive service The playful work ethic that ensues holds promise for our politically splintered post industrial age The New Testament's seed like ethical genotype still unfolds into a secure all embracing and mutually supportive sabbatic life stance What could be more relevant for our future in conflicted times **Moscato Masquerade** Elizabeth Rain, 2022-05-10 What does the Mission Lighthouse in Veil Falls have hanging around And who is the Fresh specter putting the moves on Verity at the Supermarket Honor Mason's Annual Snowshoe Shuffle and Flight Wine Event has the customers all a titter with delight and maybe a glass of his best Moscato As the less than delighted hostess for her neighbor's event Verity is learning a thing or two about the wine business and speaking in front of an overly enthusiastic crowd But the last stop on the tour at the Mission Light House comes with a view and he's swinging from the upper gallery It turns out that dead bodies and fainting customers on the tour is just plain

bad for business and as if that isn't enough There's a new ghost hanging around the tasting room rearranging the furniture and playing way too easy with his hands and lips It's enough to boggle Verity's mind She'll need to get busy and find the killer if she wants to rescue her handsome neighbor's vineyard and get rid of the fresh ghost before Honor's business goes belly up and the only customers left are the dead It turns out there's more to the wine making business than grapes and purple feet its shaping up to look a lot like murder *Drake* William Mac Oubrey, 2020-08-15 Reproduction of the original
