largely unheralded More than merely the Peanuts guy Guaraldi cut his jazz teeth as a member of combos fronted by Cal Tjader and Woody Herman and garnered Top 40 fame with his Grammy Award winning hit Cast Your Fate to the Wind This career study extensively updated gives Guaraldi long overdue recognition chronicling his years as a sideman his attraction to the emerging bossa nova sound of the late 1950s his collaboration with Brazilian guitarist Bola Sete his development of the Grace Cathedral Jazz Mass his selection as the fellow to put the jazz swing in Charlie Brown's step and his emergence as a respected veteran in the declining Northern California jazz club scene of the 1970s Ironically his place in the jazz universe has grown exponentially since this book's initial 2012 publication and this second edition acknowledges such honors and features a wealth of new material

Escoffery, 2014-12-03 American viewers are attracted to what they see as the non-scripted unpredictable freshness of reality television But although the episodes may not be scripted the shows are constructed within a deliberately designed framework reflecting societal values The political economic and personal issues of reality TV are in many ways simply an exaggerated version of everyday life allowing us to identify perhaps more closely than we care to admit with the characters onscreen With 16 essays from scholars around the world this volume discusses the notion of representation in reality television It explores how both audiences and producers negotiate the gulf between representations and truth in reality shows such as Survivor The Apprentice Big Brother The Nanny American Idol Extreme Makeover Joe Millionaire and The Amazing Race Various identity categories and character types found in these shows are discussed and the accuracy of their television portrayal examined Dealing with the concept of reality audience reception gender roles minority portrayal and power issues the book provides an in depth look at what we see or think we see in reality TV Instructors considering this book for use in a course may request an examination copy here
