Snow Music:

The Snow's Music Floyd Skloot, 2008 The Snow's Music continues award winning poet Floyd Skloot's lyrical and narrative explorations of memory love loss and artistic expression At once musical and precise formal and fluid Skloot's poems balance inner and outer vision past and present experience meditation and observation humor and sadness Skloot explores human resilience in the face of sudden change and radical shifts of perception that define creative endeavor when the world refuses to cohere Whether the author is recalling lessons learned as a young actor in the role of a Shakespearean clown thinking about the painter Georges Braque reassembling himself after wartime head injuries or imagining his volatile parents reunited in the afterlife following his mother's death at age ninety six Skloot's accessible poems move and delight creating his most emotional and engaging work yet **BOOK JACKET**
