David--Faith on the Run Larry Lichtenwalter,2004-02 Like David Outlaw Cave man Guerrilla So how does the hero behave under pressure The subject of this second volume on the life of David is his fugitive years when his passion for God was stressed to the breaking point He starts out holding Goliath s severed head and ends up weeping over the death of nemesis Saul and soul mate Jonathan In between he runs At first the battlefield hero wins the hearts of the people and becomes a palace fixture All is well in King Saul s court until the women begin singing his praises Now the rising star is a marked man with a price on his head Dodging javelins David succumbs to fear He resorts to deception Once he ran toward his enemies now he runs from them His only hope his only help is God The Lord is for me he writes so I will not be afraid What can mere mortals do to me Ps 118 6 NLT This book is for all who walk through the valley of the shadow who face the perfect storm of failure and disgrace Before God can bring us into a spacious place we must learn what David learned in the dark about God God delivers The storm will subside Goliath will fall But we must wait on the Lord

Border Poetics in German and Polish Literature Karolina May-Chu,2024 Examines how political borders are intertwined with less concrete borders such as those of ethnicity gender or class and how these entanglements are represented in contemporary novels that reimagine the German Polish borderlands as cosmopolitan spaces Globalization notwithstanding we live in an age of borders as the ongoing conflict at Europe s eastern edge reminds us Borders are meant to protect but they also divide and exclude This book however focuses on literature that pushes back against the divisiveness of borders advocating for transborder connections and criticizing exclusionary boundaries It examines novels that reimagine the German Polish borderlands as cosmopolitan spaces novels by Nobel Prize winners Olga Tokarczuk and G unter Grass as well as by authors less well known internationally the Polish Inga Iwasi ow the German Tanja D uckers and the German Polish Sabrina Janesch The book utilizes and elaborates the concept of border poetics a narrative and cultural practice that places political borders in relation to less concrete borders such as those of gender ethnicity or class as well as in relation to epistemological and ontological

boundaries of language knowledge even reality Because border poetics rests on the same productive tension between the particular and the universal that drives contemporary notions of cosmopolitanism the book argues for the practice as an instance of what sociologist Gerard Delanty has termed cosmopolitan imagination The richly contextualized analysis is framed within transnational German Studies and draws on border studies cosmopolitanism European literature and world literature

Journalism, Democracy and Civil Society in India Shakuntala Rao,Vipul Mudgal,2018-09-05 Since independence in 1947 India has remained a stable and functioning democracy in the face of enormous challenges Amid a variety of interlinking contraries and a burgeoning media one of the largest in the world there has been a serious dearth of scholarship on the role of journalists and dramatically changing journalism practices This book brings together some of the best known scholars on Indian journalism to ask questions such as Can the plethora of privately run cable news channels provide the discursive space needed to strengthen the practices of democracy not just inform results from the ballot boxes Can neoliberal media ownership patterns provide space for a critical and free journalistic culture to evolve What are the ethical challenges editors and journalists face on a day to day basis in a media industry which has exploded In answering some of these questions the contributors to this volume are equally sensitive to the historical social and cultural context in which Indian journalism evolved but they do not all reach the same conclusion about the role of journalism in Indian civil society and democracy This book was originally published as a special issue of *Journalism Studies*

The 5 Disciplines of Inclusive Leaders Andrés T. Tapia,Alina Polonskaia,2020-10-20 Diversity initiatives are falling short This book shows leaders how to develop the skills needed to build sustainably inclusive organizations using a tested research based model developed by the global organizational consulting firm Korn Ferry According to the journal *Human Resource Management* companies are spending over 8 billion a year on diversity programs Yet today the senior leadership teams at Fortune 500 companies are far from mirroring the diversity of its workforce and its customers Andr s Tapia and Alina Polonskaia senior leaders at Korn Ferry argue that to build sustainable diversity and inclusion organizations need to have inclusive leaders at all levels In this book Tapia and Polonskaia draw on Korn Ferry s massive database of 3 million leadership assessments to reveal the essential qualities of inclusive leaders They discuss the personality traits these leaders share and detail how to develop what they call the five disciplines of inclusive leadership building interpersonal trust integrating diverse perspectives optimizing talent applying an adaptive mindset and achieving transformation Tapia and Polonskaia also outline the competencies behind each discipline describe individual and organizational exemplars of inclusive leadership and show how the five disciplines enable leaders to unleash the power of all people and to build both structurally and behaviorally inclusive organizations This book will help leaders foster the skills to deal with today s complex challenges and create a more inclusive sustainable and prosperous future for all of us
