*Real Black* John L. Jackson Jr.,2005-11-15 New York's urban neighborhoods are full of young would be emcees who aspire to keep it real and restaurants like Sylvia's famous soul food eatery that offer a taste of authentic black culture In these and other venues authenticity is considered the best way to distinguish the real from the phony the genuine from the fake But in *Real Black* John L Jackson Jr proposes a new model for thinking about these issues racial sincerity Jackson argues that authenticity caricatures identity as something imposed on people imprisoning them within stereotypes turning them into racial objects and inanimate things instead of living breathing human beings Contending that such assumptions deny people agency not to mention humanity in their search for identity Jackson counterposes sincerity an internal and more productive analytical model for thinking about race Moving in and around Harlem and Brooklyn Jackson offers a kaleidoscope of subjects and stories that directly and indirectly address how race is negotiated in today's world including tales of name changing hip hop emcees book vending numerologists urban conspiracy theorists corrupt police officers mixed race neo Nazis and high school gospel choirs forbidden to catch the Holy Ghost Enlisting Anthroman his cape crusading critical alter ego Jackson records and retells these interconnected sagas in virtuosic detail and in the process shows us how race is defined and debated imposed and confounded every single day

**The Handmaiden of Death** Sarah Stafford,2021-03-05 About *THE HANDMAIDEN OF DEATH* Sixteen year old Amber Marsden must fight for survival after a botched drug deal leaves her orphaned on the frozen streets of Detroit With nowhere to turn Amber takes shelter among the ruins only to discover that she's not alone in the dark In praise of *THE HANDMAIDEN OF DEATH* Compellingly written character driven story that follows the life of a wayward teen from the

wrong side of the tracks who finds herself the guest of a wealthy man who turns out to be someone she never expected Dialogue is incredibly naturalistic and flows to create scenes rather than relying heavily on narrative description to set the stage Unique and fresh perspective on the vampire genre and full of deep symbolic prose reminiscent of Anne Rice's works I highly recommend this up and coming author and look forward to the next installment in the series Bethann Rodgers The Bookish Maven A Literary Blog About The Dark Angel Trilogy The Dark Angel Trilogy is a contemporary coming of age story set against the backdrop of a city in decline and follows the life of Amber Marsden a wayward teen from a broken home who finds herself orphaned on the frozen streets of present day Detroit With nowhere left to turn she takes shelter amid the ruins only to discover she is not alone in the dark Full of deep symbolic prose The Dark Angel Trilogy is a fast paced character driven series that delves into the human psyche and is geared toward readers seeking a vampire tale with less sparkle and a lot more bite About the Author Sarah Stafford writes dark contemporary genre bending tales that deviate from the typical haunted house trope of gothic fiction Expect ample suspense thrills and reminders that oftentimes monsters abide within us all No glittery vampires allowed Sarah lives in Michigan with her husband and three cats earned her BA in History from Oakland University and has traveled extensively throughout much of Europe Asia and the USA She credits her abiding obsession with all things dark and macabre from having spent her childhood summers exploring dark woods ruined castles and landscapes shrouded in mystery

this diabolical church is completed Lazarus power will become impossible to contain And it just might be the end of the world as we know it      **Wizard of the Grove** Tanya Huff,2016-03-01 Now available in one volume the novels which began Tanya

Huff's career *Child of the Grove* and *The Last Wizard* form a powerful fantasy duology about the last wizard ever to be born into the world It is the saga of Crystal a daughter of Power whose destiny is to put an end to the war between wizards and the mortal world Now this magical tale is collected in one volume as *Wizard of the Grove* featuring new cover art by Yvonne Gilbert      Soul Monique Guillory,Richard Green,1997-12-01 No other word in the English language is more endemic to

contemporary Black American culture and identity than Soul Since the 1960s Soul has been frequently used to market and sell music food and fashion However Soul also refers to a pervasive belief in the capacity of the Black body spirit to endure the most trying of times in an ongoing struggle for freedom and equality While some attention has been given to various genre manifestations of Soul as in Soul music and food no book has yet fully explored the discursive terrain signified by the term In this broad ranging free spirited book a diverse group of writers artists and scholars reflect on the ubiquitous but elusive concept of Soul Topics include politics and fashion Blaxploitation films language literature dance James Brown and Schoolhouse Rock Among the contributors are Angela Davis Manning Marable Paul Gilroy Lyle Ashton Harris Michelle Wallace Ishmael Reed Greg Tate Manthia Diawara and dream hampton      *Dead Man Riding East* Jim Webster,2015-05-20

Once more we visit the Land of the Three Seas where the unintended theft of a tyrant's concubine followed by the inadvertent acquisition of a wife leads to revenge the fall of dynasties and over exposure to the world of high fashion Such are the adventures of Benor Dorfinngil      The Constitution of the United States of America United States,2018      **The Death of Blue Mountain Cat** Michael Allen Dymmoch,2015-01-04 In this exciting sequel to *The Man Who Understood Cats* psychiatrist Jack Caleb and cop John Thinnes must solve the murder of a Native American artist Library Journal Native American artist Blue Mountain Cat seems determined to provoke controversy with his new installation which strikes art patron Jack Caleb as Andy Warhol meets Jonathan Swift in Indian country As the artist's former therapist Caleb can't help wondering what is driving this new aggressively satirical direction with pieces like *Red Man's Revenge* and *Native American Gothic* There's something to offend everybody many of whom are at the opening including a litigious developer an outraged Navajo woman a black market antiquities dealer and the artist's stunning blond wife who discovers her husband stabbed to death in a gallery room with a bone knife from his own exhibit When Chicago homicide detective John Thinnes arrives at the museum he drafts his friend Caleb to help him navigate the crime scene and the terra incognita of the art world As the suspects expand to include a desperate museum director a savage critic a married mistress and a shady partner the shrink and the cop once again find themselves something of an odd couple but a very effective detective duo      The Theology of Dracula Noël Montague-Étienne Rarignac,2012-01-23 Few books have so seized the public imagination as Bram Stoker's *Dracula* even more popular now than when it was first published in 1897 This critical work represents a rereading of the

horror classic as a Christian text one that alchemizes Platonism Gnosticism Mariology and Christian resurrection in a tale that explores the grotesque Of particular interest is the way in which the Dracula narrative emerges from earlier vampire tales which juxtapose Apollonian and Dionysian impulses A strong addition to vampire and horror scholarship *The Tudor Tutor* Barb Alexander,2015-11-03 From the bloody Wars of the Roses to Queen Elizabeth I s iconic rule the Tudor Dynasty was a period of sex scandal and intrigue Monarchs such as Henry VIII and Queen Elizabeth I have become a part of modern pop culture resulting in endless parodies satires rumors and urban legends that grace our television screens But like all urban legends and parodies facts surrounding the lives of these rulers are greatly exaggerated In this entertaining guide Barb Alexander serves to debunk those rumors and educate you about the dynasty History doesn t have to be dry boring and difficult to read As an educator Barb knows exactly how to engage an audience This pocket sized guide is not only informative but also filled with cheek snark and wit With 50 beautiful illustrations that depict Tudor monarchs and key players during their rule this book is guaranteed to garner a chuckle or two So sit back relax and enjoy the lesson Before long you ll be sharing Tudor history facts that will be sure to impress your less informed peers Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **The Fall of Pride: A New Fate** John Friend,2012-05-02 Victor North came from a prominent family in a country hidden by the world rumored to breed monsters But the fates had other plans for him he soon learned Dishonored and cast into slavery he must now fight to regain what was once his but will he be strong enough to defy Fate *The Battle of Salamis* Barry Strauss,2005-08-16 A brilliant and dramatic account of the most famous naval battle of the ancient world coupled with an in depth analysis of the diverse Persian empire and the birth of the Athenian empire On a late September day in 480 B C Greek warships faced an invading Persian armada in the narrow Salamis Straits in the most important naval battle of the ancient world Overwhelmingly outnumbered by the enemy the Greeks triumphed through a combination of strategy and deception More than two millennia after it occurred the clash between the Greeks and Persians at Salamis remains one of the most tactically brilliant battles ever fought The Greek victory changed the course of western history halting the advance of the Persian Empire and setting the stage for the Golden Age of Athens In this dramatic narrative account historian and classicist Barry Strauss brings this landmark battle to life He introduces us to the unforgettable characters whose decisions altered history Themistocles Athens great leader and admiral of its fleet who devised the ingenious strategy that effectively destroyed the Persian navy in one day Xerxes the Persian king who fought bravely but who ultimately did not understand the sea Aeschylus the playwright who served in the battle and

later wrote about it and Artemisia the only woman commander known from antiquity who turned defeat into personal triumph Filled with the sights sounds and scent of battle The Battle of Salamis is a stirring work of history Fierce Ambition: The Life and Legend of War Correspondent Maggie Higgins Jennet Conant, 2023-10-31 Mesmerizing Conant's book has brought Maggie Higgins back to life Andrew Nagorski Wall Street Journal A spirited portrait of twentieth century war correspondent Maggie Higgins and her tenacious fight to the top in a male dominated profession Marguerite Higgins was both the scourge and envy of the journalistic world A longtime reporter for the New York Herald Tribune she first catapulted to fame with her dramatic account of the liberation of Dachau at the end of World War II Brash beautiful ruthlessly competitive and sexually adventurous she forced her way to the front despite being told the combat zone was no place for a woman Her headline making exploits earned her a reputation for bravery bordering on recklessness and accusations of advancing on her back trading sexual favors for scoops While the Herald Tribune exploited her feminine appeal regularly featuring the photogenic girl reporter on its front pages it was Maggie's dogged determination talent for breaking news and unwavering ambition that brought her success from one war zone to another Her notoriety soared during the Cold War and her daring dispatches from Korea garnered a Pulitzer Prize for foreign correspondence the first granted to a woman for frontline reporting with the citation noting the unusual dangers and difficulties she faced because of her sex A star reporter she became part of the Kennedy brothers Washington circle though her personal alliances and politics provoked bitter feuds with male rivals who vilified her until her untimely death Drawing on new and extensive research including never before published correspondence and interviews with Maggie's colleagues lovers and soldiers and generals who knew her in the field journalist and historian Jennet Conant restores Maggie's rightful place in history as a woman who paved the way for the next generation of journalists and one of the greatest war correspondents of her time
