So You Want To Be A Supervisor:

So You Want to be a Supervisor! Elton T. Reeves,1971

Do You Have What It Takes to Become a Manager? a

Guide for Those Driven to Lead! George R. Kennedy,2010-11 This book was inspired by my concern that throughout my 34 plus years in the supervisor management field I only met a few managers who really knew how to manage others It s an artful skill and not just anyone can do it says author George R Kennedy Do You Have What It Takes to Become a Manager is a how to book written because the focus these days that education is the best candidate has limited the number of very good experienced people who could really help the educated perform better Making the jump from worker to manager is more difficult than most people think It s an important decision and shouldn t be taken lightly The book s 12 chapters are designed as A Guide for Those Driven to Lead

So You Want to Direct TV? Jacob Pinger,2020-07-14 Becoming a TV director is nothing like other professions There is no road map Traditionally the only way to break in was through access to a powerful mentor to show you the way but today creative people with a drive to direct are finding their own ways into the industry In this book of interviews working TV directors show you exactly how they did it No two stories are exactly alike These deeply personal interviews with a racially and culturally diverse range of eight women and eight men are candid and full of practical insights For the first time in the 100 plus year history of the entertainment industry there are increasing opportunities to rise into the director s chair This book reflects the hope and promise of a new era Open the cover and discover the mentor you deserve

So, You Want to "Be a Cop " ? Stan Otremba,2009 Have you ever wondered what it would be like to be a cop Well it s time to find out Follow Stan Otremba from his beginnings as a relief bailiff at the Los Angeles County Sheriff s Department in 1959 There he hears the case of Johnny Stompanato who turned up dead in his home one night Stompanato s stepdaughter Cheryl Crane testifies that she killed him because he was beating her mother But bailiff Otremba is suspicious and years later he finds out what really happened When he becomes a full fledged police officer with the Santa Maria Police Department Otremba investigates

murders rapes suicides and more As a deputy coroner he sees still yet another side of the law but it s not a pretty one Along the way Otremba adapts to the changes in law enforcement enjoying the new technology that becomes available from the Law Enforcement Assistance Program and fine tuning his crime fighting tactics Follow an insider through twenty eight years of action in So You Want to Be a Cop So You Want to Become A Park Ranger? Richard Boyer,2010 So You Want To Become a National Park Service Seasonal Interpretative Park Ranger is for those who want to know the process to become a ranger and to realize the daily experiences of a seasonal interpretative park ranger Short-Term Decisions Equal Long-Term Disasters Craig Allen,2003-08 SHORT TERM DECISIONS equal LONG TERM DISASTERS by Craig D Allen CFA CFP CIMA is an instruction manual for dealing with day to day decisions in a structured and constructive manner This book does not espouse one specific solution to any problem Rather it proposes a systematic framework of decision making intended as a guide to help you solve your own problems through deliberate analysis and positive change As the author states I see this book as a life manual intended to guide you in your quest to get what you want out of life and to feel good about yourself in the process Too often our natural tendencies drive us to look for a quick fix solution to a given problem that provides us with the most attractive short term benefit As the author states What I will propose in this book is that human behavior tends to favor making decisions based on obtaining short term benefits which rarely result in the person attaining their true goals This book explores the motivating factors that push us towards these short term decisions and the methods we can use to short circuit this behavior to improve our decision making process and thus the quality of our lives
