Spontaneous Healing 1997 Weil Andrew

Dr. Dave DiSano, Mary DiSano

Spontaneous Healing 1997 Weil Andrew:

Divinely Touched: Transform Your Life Dr. Dave DiSano, Mary DiSano, 2011-08-29 *Divinely Touched* is a story of personal transformation. It chronicles Mary's spiritual awakening, how she was divinely saved, led, and transformed from the depths of depression, from battles with physical ailments for which the medical profession had no explanations, from being led into worlds she never knew existed, she survived being taken to the underworld. She was guided and healed by light workers, shamans, and avatars from this world and the spirit dimension, and led on a journey of personal physical, mental, and spiritual healing. Mary's experience, like that of a caterpillar when transformed into a beautiful butterfly, is one that will inspire, enlighten, and transform your life as well. Dr. Dave uses science, research, and knowledge of the ages to explain what Mary experienced and opens worlds to the reader that they may never have imagined. *Divinely Touched: Transform Your Life* can in fact do just that. With painstaking detail, Mary describes her descent into darkness and her triumphant return. Like Margaret Starbird in *The Goddess in the Gospels*, who also has a spiritual awakening that took her into the realms of psychosis, Mary describes a similar personal descent into darkness before bursting forth into spiritual awareness. Inside you will find a compelling story that may help you or someone you love. Maureen St. Germain, author of *Beyond the Flower of Life: Finding the Rhythms of Health and Happiness*, *Divinely Touched* is a wonderful book that documents an impassioned and heartfelt account of the pitfalls and triumphs of personal awakening. Dr. Michael Sharp, author of *The Great Awakening: The Book of Light*, *The Book of Love*, *The Dossier of Ascension*, *A Moment with Eternity* by Bryan C. Hood, 2001. *A Moment with Eternity* explores the nature of man, God, and the universe. Delving deeply within himself, the writer overcomes through personal sacrifice the truth about existence. This book has been written in two parts. In the first half, you will explore alongside the writer the mysteries of the unseen realities and battle against mysterious forces that threaten your very existence. The second half of the book is full of clear, simple explanations drawn from further years of personal research. As well, there are several easy exercises to assist you in expanding and developing your human potential. As you grow and develop, you will continue to discover new truths. These new, deeper levels of truth will reveal themselves from among the very same pages you have already read. *A Moment with Eternity* could be called an unforgettable transformational journey.
