Sports Star:

The Sport Star Barry Smart, 2005-09-15 David Beckham Tiger Woods Anna Kournikova over recent years sports stars on both sides of the Atlantic have not just crossed over into the mainstream celebrity scene but increasingly dominate it This volume offers an analysis of the development of modern sport in the UK and the USA **Power Games** John Sugden, Alan Tomlinson, 2013-10-11 Critical and radical perspectives have been central to the emergence of the sociology of sport as a discipline in its own right This ground breaking new book is the first to offer a comprehensive theory and method for a critical sociology of sport It argues that class political economy hegemony and other concepts central to the radical tradition are essential for framing understanding and changing social and political relations within sport and between sport and society The book draws upon the disciplines of politics sociology history and philosophy to provide a critical analysis of power relations throughout the world of sport while offering important new case studies from such diverse sporting contexts as the Olympics world football boxing cricket tennis and windsurfing In the process it addresses key topics such as nations and nationalism globalisation race gender political economy **Power Games** can be used as a complete introduction to the study of sport and society And will be essential reading for any serious student of sport At the same time it is a provocative book that by argument and example challenges those who research and write about sport to make their work relevant to social and political reform

Seeing Stars Dennis J. Frost, 2020-03-17 In *Seeing Stars* Dennis J Frost traces the emergence and evolution of sports celebrity in Japan from the seventeenth through the twenty first centuries Frost explores how various constituencies have repeatedly molded and deployed representations of individual athletes revealing that sports stars are socially constructed phenomena the products of both particular historical moments and broader discourses of celebrity Drawing from media coverage biographies literary works athletes memoirs bureaucratic memoranda interviews and films Frost argues that the largely unquestioned mass of information about sports stars not only reflects but also shapes society and body culture He examines the lives and times of star athletes including sumo grand champion Hitachiyama female Olympic medalist Hitomi Kinue legendary pitcher Sawamura Eiji and world champion boxer Gushiken Yoko demonstrating how representations of such sports stars mediated Japan's emergence into the putatively universal realm of sports unsettled orthodox notions of gender facilitated wartime mobilization of physically fit men and women and masked lingering inequalities in postwar Japanese society As the first critical examination of the history of sports celebrity outside a Euro American context this book also sheds new light on the transnational forces at play in the production and impact of celebrity images and dispels misconceptions that sports stars in the non West are mere imitations of their Western counterparts

Sport Stars David L. Andrews, Steven J. Jackson, 2002-09-11 *Sport Stars* investigates the nature of contemporary sporting celebrity examining stars often turbulent relationship with the press and exploring themes of identity race and spectacle **Best Extreme Sports Stars of All Time** Matt Scheff, 2015-01-01 This title will introduce you to Tony Hawk Kelly
