Sportsman's Guide to Game Fish Byron W. Dalrymple, 1968 Angler's & Sportsman's Guide Wainwright Randall, Reuben Johnson Held, Edward Baldwin Rice, Warren Hastings Miller, 1911 The Sportsman's Guide to the Northern Lakes George Francis, 1885 **The Sportsman's Guide to the Northern Lakes** George Francis, 2015-06-16

Excerpt from The Sportsman's Guide to the Northern Lakes With Hints on Fishing Hunting and Trapping Fishing and Hunting in the Northern Summer Land the poetry of motion the music in the air the thrill the healthful exercise what exquisite unutterable joy Where is the sportsman or the pleasure tourist out for a week who can resist the temptation to shoulder a gun and throw a line One's mind grows fresher memories bring back the scenes of early youth the brooklet the meadow the silvery lake and the alpine height Yes all of these and myriads of game and tons of fish await your arrival in the Northern Wilderness The great forests of Wisconsin Michigan and Minnesota bedecked by an infinite number of glistening lakes and crystal streams together form one of the grandest pleasure gardens of the world and there is where our little book wishes to guide those who are susceptible Then if we should inform you only in regard to Points of Interest choice localities for game and fish and the ways of getting there you might if not a practical sportsman fail of bagging a single fowl or deer or of catching even a trout But no such is not to be You will find your game and will bag it too for we have given you explicit instructions and many useful hints for sporting operations We do not claim perfection or that any one subject cannot be more fully treated We have simply done our best and hope to be encouraged by those who could if they would help the good work along We shall be glad to receive criticisms if any of our readers should happen to find us in error regarding any point or subject Our fund of information has been gathered from so many sources that it is not at all improbable that some small errors occur To attempt a description of all the desirable points located within the bounds of the three States previously mentioned we find entirely impossible in a work of limited scope Therefore we have arranged in alphabetical order an Index to Northern Sporting and Pleasure Resorts which will add considerably no doubt to the usefulness of our little work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
