Spot On My Bum:

Who's My Bottom? Christopher Gillett, 2011 Very funny painfully honest and invariably true A real insight into a working opera singer's life Nicholas Hytner The descriptions of rehearsals are very funny Ian Hislop It's no exaggeration to say that *Who's My Bottom* made me laugh out loud abruptly and in public places many times and brought tears to my eyes at others Steven Blier LOVED it It was a terrific can't put it down read It arrived two days ago and is already dog eared I loved his style of writing and his frankness and honesty were both refreshing and beguiling Great Graham Clark I loved it I laughed till I cried and I think you are a bloody genius Susan Bullock Terrific By turns hilarious and touching Clive Bayley **Mind is the Ride** Jet McDonald, 2019-05-16 When Jet McDonald cycled four thousand miles to India and back he didn't want to write a straightforward account He wanted to go on an imaginative journey The age of the travelogue is over today we need to travel inwardly to see the world with fresh eyes *Mind is the Ride* is that journey a pedal powered antidote to the petrol driven philosophies of the past The book takes the reader on a physical and intellectual adventure from West to East using the components of the bike as a metaphor for philosophy which is woven into the cyclist's experience Each chapter is based around a single component and as Jet travels he adds new parts and new philosophies until the bike is built the ride to India is completed and the relationship between mind body and bicycle made apparent **Find a soft spot to land on** Michael Coatesworth, 2019-12-16 Another wonderfully warm and addictive tale from Michael Coatesworth We accompany him on a journey which takes us from him growing up in the 1950s through very testing times to almost present day A thought provoking tale of one man's sometimes difficult and traumatic journey through life and those people who touched his life along the way Discipline at home was strict and harsh and when his father decides that it's time that he stood on his own two feet he turns him out on to the streets at the tender age of 14 It is heart warming that after so much heartache and upset the author finds a woman to marry and share his life with Without her unwavering support from the good times to the sometimes very bad a new family unit is formed to provide the love support and companionship which was sometimes lacking in his earlier years **The Lonely Detective** Charles E. Schwarz, 2001-08 Four absolutely funny culturally outrageous who done it stories whose unique detective a lonely disrespected anti hero sees sacred beliefs turned upside down as he solves the mysterious deaths of a rich Tasty Cake deliveryman a woman supporting the correct causes a bum exposing the correct causes and a disillusioned volunteer involved in the correct causes Where Did My Life Go? Homeless and Out of Business K.D. Sanders, 2015-10-31 *Where Did My Life Go Homeless and Out of Business* is by far one of the most raw powerful and engaging reads that I've come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there's another side to it I interpret the book as having a sort of theme about personal redemption and

keeping headstrong even through all the bad things that life can throw at you The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author's opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I've been coming across these days Definitely worth checking out Amazon Review

The Bear Claire Cameron,2014-02-11 A powerful suspense novel narrated by a young girl who must fend for herself and her little brother after a brutal bear attack While camping with her family on a remote island five year old Anna awakes in the night to the sound of her mother screaming A rogue black bear three hundred pounds of fury is attacking the family's campsite and pouncing on her parents as prey At her dying mother's faint urging Anna manages to get her brother into the family's canoe and paddle away But when the canoe runs aground on the edge of the woods the sister and brother must battle hunger the elements and a wilderness alive with danger Lost and completely alone they find that their only hope resides in Anna's heartbreaking love for her family and her struggle to be brave when nothing in her world seems safe anymore This is a story with a small narrator and a big heart Cameron gracefully plumbs Anna's young perspective on family responsibility and hope charting both a tragically premature loss of innocence and a startling evolution as Anna reasons through the impossible situations that confront her Lean and confident and told in the innocent and honest voice of a five year old The Bear is a transporting tale of loss but also a poignant and surprisingly funny adventure about love and the raw instincts that enable us to survive

Father's Milk Marko Vignjevic,2011-07-15 Yet another tasteful and superbly written offering from the pen of one of the most talented and erudite writers of our time With his unique ability the author delves into the depths of his poor hapless protagonist a lost and plagued soul drowning in his own miseries Undermined by his wife and son driven to distraction by the miserable circumstances over which he appears to have no control the wretched Isav can endure no more of his depressingly dark existence and so abandoning all he has known sets off without direction on a desperate journey from place to place looking to regain his status in the world as a man Father's Milk is another tasteful and superbly written offering from the pen of one of the most erudite and talented modern writers of our time Of appeal to the most highly discerning of readers the adventures of Isav as he travels along the unknown highway of life cannot fail to make an unforgettable impact
