Spots First Songs:

Spot's First Songs Eric Hill, 2000 Children can now sing along with Spot and his friends to simple tunes with this sound book They have to press the shaped buttons to hear a selection of nursery rhymes **Spot's Big Nursery Song Book** Eric Hill, 2003 Lets you push the buttons to hear 10 favourite children's songs and sing along with Spot and his friends This title contains nursery songs which include Baa Baa Black Sheep Hickory Dickory Dock If You're Happy and You Know It and Twinkle Twinkle Little Star *Encyclopedia of Music in the 20th Century* Lol Henderson, Lee Stacey, 2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century It covers the major musical styles concert music jazz pop rock etc and such key genres as opera orchestral music be bop blues country etc Articles on individuals provide biographical information on their life and works and explore the contribution each has made in the field Illustrated and fully cross referenced the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information A good first point of reference for students librarians and music scholars as well as for the general reader **Capsule Overviews of Favorite Albums** Martin Winfree, 2025-02-12 The hundreds of albums that I salvaged from Hurricane Katrina are gradually being passed along to a friend and the paragraphs that I gave him along with the first 399 LPs provide the genesis for Capsule Overviews of Favorite Albums I have written the stories behind the albums and the recording artists along with commentary on particular songs and other works by the same recording artists My goal is to flesh out information on the greatest music ever recorded particularly for younger people who didn't grow up with these records While not comprehensive the sections in the book give a good overview of the rock music scene over the past half century or so along with musicians in other genres that appeal to me **Music in the 20th Century (3 Vol Set)** Dave DiMartino, 2016-04-15 This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons the immediate post Hiroshima Nagasaki period and the Korean War It also provides an account of US actions and attitudes during this period and China's response **Top Popular Music of the Early 20th Century: 1900 - 1949 -- Rankings, Artists & Links** Wayne Cottrell, 2019-04-13 This book features by decade rankings of music singles and albums in six different genres covering the first half of the 20th century The decade of the 1890s is also included The rankings pertain to U S music charts wherein a typical week's chart would be based on sales radio airplays jukebox plays and or a combination of one or more of these The genres include children's classical country instrumental popular and rhythm blues music Short biographies on a selection of artists are located throughout the book The artists index includes some vital statistics **Revolutions in American Music** Michael Broyles, 2024-02-20 The story of how unexpected connections between music technology and race across three tumultuous decades changed American culture How did a European social dance craze become part of an American presidential election Why did the recording industry become racially divided Where did rock n roll really come from And how do all these things continue to reverberate

in today's world In *Revolutions in American Music* award winning author Michael Broyles shows the surprising ways in which three key decades the 1840s the 1920s and the 1950s shaped America's musical future Drawing connections between new styles of music like the minstrel show jazz and rock n roll and emerging technologies like the locomotive the first music recordings and the transistor radio Broyles argues that these decades fundamentally remade our cultural landscape in enduring ways At the same time these connections revealed racial fault lines running through the business of music in an echo of American society as a whole Through the music of each decade we come to see anew the social cultural and political fabric of the time Broyles combines broad historical perspective with an eye for the telling detail and presents a variety of characters to serve as focal points including the original Jim Crow a colorful Hungarian dancing master named Gabriel de Korponay Empress of the Blues Bessie Smith and the singer Johnnie Ray whom Tony Bennett called the father of rock n roll Their stories and many others animate Broyles's masterly account of how American music became what it is today **Focus**
