The Magnetic Leader Roberta Chinsky Matuson, 2017-03-03 Employees don't work for companies they work for people The more irresistible you are as a leader the more pull you have

for employees to want to stay and for your customers to remain loyal In *The Magnetic Leader* Roberta Matuson asks us to consider that the quality of a company's leadership is the most important factor in attracting and retaining high quality employees Matuson has spent 20 years helping organizations achieve both market leadership and dynamic growth by maximizing the talent they already have in addition to creating a magnetic environment that attracts high caliber new hires Many are searching for a magical formula but the fact is that the answer lies inside businesses organizations Instead of offering crazy perks companies need to focus on the one perk they can't get anywhere else which is the opportunity to work with a truly magnetic leader *The Magnetic Leader* aids readers in transforming their leadership style from push to pull repel to attract dismal to good and then good to great They'll become magnetic leaders who attract the cream of the crop and ultimately create legions of loyal talented superstars eager to beat the competition **The War Within** Ashly

Hill, 2021-05-28 The poems in this book are about the constant battle or the war within an addict's mind The war of emotions and denial the grief and the guilt Encompasses the need to cling to mind altering substances and also the need to let them go These pages also go into the addict's mind when it comes to growth and empowerment of sobriety along with everyday struggles and happiness The loss of love and redefining who a person is by love laughter and tears The beautiful blossom of a mother given a second chance The growth that resides in all of these emotions properly expressed A reminder to be kind and compassionate to help instead of judging Never ending is the struggle to be better than we were yesterday never ending is the war within us all *Broken-But Not Destroyed* S. Miriam Clifford, 2009-08

The Author had entered into this life by rape of a woman without being asked to be born without having made any effort to get here A newborn does not know she is alive There is no realization factor for the infant is as if it was unconscious An irresistible instinct impels her as she becomes a woman her life takes a deep plunge felt by the indifferent blows of tragedy such as dying at a young age starvation physical and emotional abuse financial ruin automobile accident divorce and homelessness and the list goes through many situations Each predicament centers on the story of someone who came into her life e fabric of our lives is the sum total of all our experiences Thinking back to what shaped the Author provides a revealing perspective She did not write these thoughts from a palace Miriam wrote them while she was going through the roughest times in her life in journals on napkins and on cardboard on the streets of emptiness An Atheist meets her Maker Jesus again this time in the dark alley in New York City The journey of forgiveness redemption healing and restoration provides powerful insight why each person is obliged in spite of self to investigate on their journey that the human thought is related to the principle reason that nothing is without cause ere one discovers that their life is mapped out for a purpose an assignment leading into destiny Her life changes 360 degree as she starts reflecting on her life which propels her into a voyage of the true self discovery finding and then knowing the source of life is God Life is not about finding yourself it is about discovering who God created you to be *Come, Have Breakfast* Johnson, Elizabeth A., 2024-02-21 Short meditations that combine scriptural references to creation theology

reflections on nature and threats to the natural world **The Magnetic Lady** Ben Jonson,2000-11-18 This is the first fully annotated edition of Ben Jonson s The Magnetic Lady written in 1632 The introduction places the play in the context of Jonson s later dramatic and poetic works and discusses the political context of the Caroline court A performance history of the play and fresh material relating to its 17th century reception are also provided This new edition by Peter Happ reappraises Jonson s much neglected play and argues for its recognition as a work of real distinction **Rowdy Boundaries** James L. Robertson,2023-10-30 Dwelling along the Mississippi River the Tennessee state line the Tenn Tom Waterway and the Gulf of Mexico are a trove of characters with fascinating lives and histories In Rowdy Boundaries True Mississippi Tales from Natchez to Noxubee author James L Robertson weaves these stories to reveal a tapestry of Mississippi s border counties and the towns and people that occupy them From his unique vantage as a former Mississippi Supreme Court justice and seasoned lawyer he documents the legal geographical and biographical tales revealed during his journeys along and within the state lines The volume features the true stories of musicians authors portrait painters and football players as well as political activists educators politicians and judges Also featured are tributes to noteworthy newspaper editors and columnists for their many contributions over the years Robertson covers pivotal moments in Mississippi history including the Mississippi Married Women s Property Act of 1839 the development of Chinese culture in the Mississippi Delta and 1964 Freedom Summer He does not shy away from the tragedies of the past discussing lynchings and murders that still haunt the state today From ghost towns in Jefferson County to the Slugburger Festival in Corinth stopping en route for a mint julep in Columbus Robertson puts a human face on Mississippi history and tells a good yarn along the way Pedalers Jack B. Sudar,2010-12 As technology advances privacy diminishes As population increases the world gets smaller What if in the near future the world were to become too small What if our energy expenditures were eventually overwrought and in order to survive we were forced to create our own energy by riding bikes That is the future for our hero young Scorpio Welcome to the world of Jack B Sudar s Pedalers a world of destruction In the future the silent monsters of our present have crushed our hopes These monsters are not bombs terrorists or epic war instead the silent monsters are technology stress fear and pollution These silent monsters threaten to dismantle human life but there is hope There are answers As a species we can fight the silent monsters but we must do it together Follow Scorpio as he strives to make sense of his world along with the help of both friend and foe The salvation of the human race can be accomplished pleasure and peace can be regained Before it can happen though we must be willing to listen
