Spurgeon Vs Hyper Calvinism The Battle For Gospel Preaching:

Spurgeon V. Hyper-calvinism Iain Hamish Murray, 2000 **Baptist Theology** James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal **Calvin Versus Hyper-Spurgeonism** Edited by J. E.

North, 2014-06-13 In 1995 the Rev Iain Murray of the Banner of Truth Trust gave a paper to the Grace Baptist Assembly on the subject of Spurgeon s Battle with Hyper Calvinism That paper much extended was later published in book format by the Banner of Truth Trust with the title of Spurgeon V Hyper Calvinism The Battle for Gospel Preaching In that book Spurgeon is allowed to speak for himself by the many quotations taken from his published sermons in both the New Park Street Pulpit and the Metropolitan Tabernacle Pulpit Use is made in the book of Spurgeon s sermon on the text of Scripture 1 Tim 2 4 Who will have all men to be saved and to come to a knowledge of the truth This book is an answer to that publication It comprises of Three articles A Sermon by John Calvin on 1 Timothy 2 4 A contemporary view of Spurgeon by A J Baxter and an Examination of Spurgeon s exegesis by H L Williams

The Mentoring Church Phil A. Newton, 2020-01-06 Ministry Book of the Year The Gospel Coalition 2017 Book Awards The critical missing element in Christian mentoring today the congregation Bringing up future leaders isn t just the job of the pastor but of the whole congregation This is an urgently needed book in churches today R Albert Mohler Jr president of The Southern Baptist Theological Seminary Young emerging leaders of the church many of whom have gone through leadership training and traditional mentorship programs still too often find themselves unprepared for the realities of ministry Many leave the ministry altogether overwhelmed Phil Newton reveals a critical gap single source mentorship is incomplete Mentoring must involve the congregation not just senior pastors

in order to bring forth mature resilient leaders prepared for all that ministry entails The solid practical solutions in The Mentoring Church offer churches of any size both the vision for mentoring future leaders and a workable template to follow With insightful consideration of theological historical and contemporary training models for pastor church partnerships Newton is a reliable guide to developing a church culture that equips fully prepared leaders **The Great Divide** Jordan Cooper,2015-08-27 Since the sixteenth century the Protestant tradition has been divided The Reformed and Lutheran reformations though both committed to the doctrine of the sinners justification by faith alone split over Zwingli and Luther s disagreement over the nature of the Lord s Supper Since that time the Reformed and Lutheran traditions have developed their own theological convictions and continue to disagree with one another It is incumbent upon students of the reformation in the Lutheran and Reformed traditions to come to an understanding of what these differences are and why they matter In The Great Divide A Lutheran Evaluation of Reformed Theology Jordan Cooper examines these differences from a Lutheran perspective While seeking to help both sides come to a more nuanced understanding of one another and writing in an irenic tone Cooper contends that these differences do still matter Throughout the work Cooper engages with Reformed writers both contemporary and old and demonstrates that the Lutheran tradition is more consistent with the teachings of Scripture than the Reformed *James Durham (1622-1658)* Donald John MacLean,2015-03-11 The free offer of the gospel has been a matter of significant debate within Reformed theology However despite this controversy Reformed theologians such as James Durham preached a gospel offer which was a sincere and free invitation from God to all to embrace Jesus Christ as Saviour This gospel offer expressed God s grace and goodness to all Donald MacLean argues that Durham s doctrinal position is representative of the Westminster Standards and embraced by his contemporaries and evidenced by the later disputes concerning the meaning of the teaching of the Westminster Confession of Faith Christ Freely Offered Ken Stebbins,2020-10-26 Originally written in 1975 Ken Stebbins Christ Freely Offered is seen as one of the best defenses on the subject of the free offer of the gospel Tackling both scripture and the historical theological aspects Stebbins engages with many of the main individuals involved in this subject including Herman Hoeksema John Murray and Ned Stonehouse This edition has been slightly updated by Stebbins and will help readers come to a firm understanding of this subject as well as an insight into the decrees of God and the idea of Common Grace *Two Gates: One Wide and One Narrow: Which Do You Choose?* Michael J. Oldham,2020-03-13 At death everyone will face their gateway to eternity There are just two gates no more One gate is wide and is the one that opens to most of mankind The other gate is narrow and opens to God s children born again Christians Rev Dr Michael J Oldham describes the two gates and the two destinations Heaven and Hell in telling detail This book leaves no doubt as to which destination is the best choice The most intriguing aspect of the matter is the fact that each person has the ability to make the choice And the urgency of making that choice is now in fact at this very minute This book is Dr Oldham s fourth published book All four are well researched and highly relevant to readers of all faiths or to

those with no faith at all **Evangelism** John F. MacArthur, Grace Community Church Staff, 2011-03-21 A clear biblical theology of evangelism presented with a historical foundation and practical instruction Expand your MacArthur Pastor's Library to include this much needed topic Evangelism begins by comparing the current state of outreach in American Christianity with evangelism throughout church history and also in the Bible Presenting a theology on the subject that addresses the theological principles that govern evangelism showing how they are played out in the church as well as the family and personal interaction It includes preaching one on one witnessing missions parenting evangelism and commissioning and supporting missionaries This book's substantive and doctrinally insightful guide to biblical outreach complements the previous volumes Preaching Biblical Counseling and Pastoral Ministry *The Wonderful Decree* Travis James Campbell, 2020-01-03 Unconditionally loving Sovereign over all How can God be sovereign over all things and loving towards all people while His creatures possess real freedom and responsibility for their choices Theologians have wrestled with this question for centuries But have our attempted solutions made the problem worse In *Wonderful Decree* Travis James Campbell suggests we cannot solve the problem by sacrificing either divine sovereignty and goodness on one hand or human responsibility on the other While considering Arminian and Molinist alternatives he concludes that the traditional Augustinian and Calvinist approach best allows these truths to remain in a healthy and biblically faithful tension Inspired by the example of Spurgeon who preferred biblical mystery over human solutions Campbell encourages readers to trust even delight in the harmony of God's love for all and sovereignty over all
