Spy Who Disappeared Diary Of A Secret Mission To Russian Central Asia In 1918:

The Spy who Disappeared Reginald Teague-Jones, 1990-01-01 *History of Central Asia, The: 4-volume set* Christoph Baumer, 2018-04-18 This set includes all four volumes of the critically acclaimed History of Central Asia series The epic plains and arid deserts of Central Asia have witnessed some of the greatest migrations as well as many of the most transformative developments in the history of civilization Christoph Baumer's ambitious four volume treatment of the region charts the 3000 year drama of Scythians and Sarmatians Soviets and transcontinental Silk Roads trade routes and the transmission of ideas across the steppes and the breathless and brutal conquests of Alexander the Great and Chinghiz Khan Masterfully interweaving the stories of individuals and peoples the author's engaging prose is richly augmented throughout by colour photographs taken on his own travels This set includes The Age of the Steppe Warriors Volume 1 The Age of the Silk Roads Volume 2 The Age of Islam and the Mongols Volume 3 and The Age of Decline and Revival Volume 4 *The "Russian" Civil Wars, 1916-1926* Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow [On Secret Service East of Constantinople](#) Peter Hopkirk, 2011-09-15 Under the banner of a Holy War masterminded in Berlin and unleashed from Constantinople the Germans and the Turks set out in 1914 to foment violent revolutionary uprisings against the British in India and the Russians in Central Asia It was a new and more sinister version of the old Great Game with world domination as its ultimate aim Here told in epic detail and for the first time is the true story behind John Buchan's classic wartime thriller Greenmantle recounted through the adventures and misadventures of the secret agents and others who took part in it It is an ominously topical tale today in view of the continuing turmoil in this volatile region where the Great Game has never really ceased [Historical Dictionary of the Russian Civil Wars, 1916-1926](#) Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the

Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916 1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War [The Russian Revolution and Civil War 1917-1921](#) Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state [Most Secret Agent of Empire](#) Taline ter Minassian,2014-03-15 This is a compelling biography of Reginald Teague Jones 1889 1988 the most important British spy you have never heard of Teague Jones was feared by Stalin roamed Eurasia and chameleon like vanished only to reappear in America decades later still practicing espionage **The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24** Evgeny Sergeev,2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which this study draws its primary attention include Britain s role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocate attempts to avoid political controversies and London s contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s [The Eagle in the Mirror](#) Jesse Fink,2023-08-22 Part biography part forensic jigsaw puzzle part cold case detective investigation The Eagle in the Mirror is the story of Charles Howard Dick Ellis The longest serving spy for the British Secret Intelligence

Service MI6 Ellis helped set up the Office of Strategic Services OSS now known as the Central Intelligence Agency CIA and the Australian Secret Intelligence Service ASIS In the 1940s he was considered one of the top three secret agents in MI6 and controlled its activities as one journalist put it for half the world But in the 1980s crusading espionage journalist Chapman Pincher in the hugely successful books *Their Trade is Treachery* and *Too Secret Too Long* and retired MI5 intelligence officer Peter Wright in the worldwide bestseller *Spycatcher* posthumously accused Ellis of having operated as a triple agent for Nazi Germany and the Soviet Union In 1965 while under interrogation in London Ellis had allegedly made a confession that he had supplied information to the Nazis before World War II However Pincher's and Wright's accusations against Ellis have never been comprehensively proven No confession has materialised Was Ellis guilty or was an innocent man framed By confessing did he take the fall for someone else Or had the intelligence agencies of the United States the United Kingdom and Australia been fatally compromised by a super mole Internationally bestselling author JESSE FINK *Pure Narco* *Bon The Last Highway* The Youngs attempts to find out the truth once and for all *The Eagle in the Mirror* is not just a long overdue biography of the unheralded Dick Ellis it's a gripping real life international whodunit

The Decline of Empires in South Asia Heather A. Campbell, 2022-04-21 The post First World War period was pivotal in global history international relations and geopolitics And no more than in South Asia where for decades the Great Game in geopolitical rivalry of the two greatest modern empires Britain and Russia had dominated international relations But with the advent of Communism in Russia and growing nationalism and pan Islamism in Afghanistan Persia and India Britain's imperial standing was under threat Faced with these problems some in the British government such as Lord Curzon the dominant imperialist in the British Foreign Office fell back on what they knew old patterns of rivalry and high handedness that characterised the Great Game Not all however agreed with Curzon and with war in Afghanistan civil unrest in India and rising tensions in Persia those who opposed this Great Game mindset advocated a new way forward for British foreign relations
