Otte, 2013-09-13. This work intended to commemorate the centenary of the Entente Cordiale in 2004 examines aspects of Anglo-French relations since the late eighteenth century when both Britain and France were pre-eminent great powers at war with one another through to the post-Second World War period when both had become rival second-class powers in the face of American and Soviet dominance. The chapters in this book examine and illuminate the nature of the Anglo-French relationship at certain periods during the last two hundred years both in peacetime and in war and include political, economic, diplomatic, military and strategic considerations and influences. While the impact of Anglo-French relations is centred essentially on the European context, other areas are also considered, including the Middle East, Africa and the North Atlantic. The elements of conflict, rivalry and cooperation in Anglo-French relations are also highlighted, whether in peace or war. This book was previously published as a special issue of *Diplomacy and Statecraft*. *The Summer Getaway*, Tilly Tennant, 2018-07-11. Ashley Moon is all set for a dream holiday with her daughter in the glittering French Riviera. But nothing can prepare her for the shock of discovering who's staying in the villa next door. Ashley got much more than a suntan on her first ever foreign holiday: one whirlwind romance and nine months later she had a daughter. Molly. Too heartbroken and proud to ever contact the father, Ashley made a decision to go it alone and raise her daughter herself. Fifteen hard and lonely years later she finally has the chance to take Molly on her first ever holiday: a gorgeous, all-expenses-paid trip to the charming French resort of St Raphael. It is the perfect setting for a week of quality time together; they plan to cycle through the sun-drenched vineyards, lounge by the glistening pool and practise their French on friendly locals. And just when Ashley thought things couldn't get any better, comes the news of a handsome new occupant in the villa next door. But fate has other plans for Ashley. One look into her neighbour's dark hazel eyes is all it takes to give her the shock of her life. Standing in front of her is Haydon, Molly's long-lost father, and the holiday fling she thought she'd never see again. As the temperature on the Cote d'Azur steadily rises and Ashley and Haydon begin to spend more and more time together, will Ashley find the courage to tell him who she is and more importantly, who Molly is? A wonderfully heart-warming story of first love and second chances for fans of Jenny Oliver and Lucy Diamond.
