Summer Liturgy A Verse Play

Pamela M. King

Summer Liturgy A Verse Play:

Summer Liturgy Jeremy Ingalls, 1985 A verse drama containing a play within a play in which an American teenager visiting Cornwall confronts a legend about the appearance there of the Christ Child and finds it relates to her own anger and rebellion

The Play about the Antichrist (Ludus de Antichristo) Kyle A. Thomas, Carol Symes, 2023-07-24 The Play about the Antichrist Ludus de Antichristo was composed around 1160 at the imperial Bavarian abbey of Tegernsee at a critical point in the power struggle between the papacy and Emperor Frederick Barbarossa This new translation and commentary reveals this drama to be strikingly representative of the role that theatrical performance played in shaping contemporary politics diplomacy and public opinion It also shows how drama functioned as an integral component of the educational curricula of elite monastic institutions like Tegernsee where political administrators and diplomats were trained and how performance served as a common connective lingua franca among monasteries in twelfth century Bavaria In this new translation Carol Symes provides the first full and faithful rendering of the play's dynamic language maintaining the meter rhyme scheme and stage directions of the Latin original and restoring the liturgical elements embedded in the text Kyle A Thomas whose fully staged production tested the theatricality of this translation provides a new historical and dramaturgical analysis of the play's rich interpretive and performative possibilities
