Geier, 2024-08-21 This handbook presents a durable comprehensive and up to date resource covering the seminal thinkers in education of past and present Each entry will capture the professional background of a legendary thinker and presents their key insights new thinking and major legacies to the field of education Carefully brought together to present a balance of gender and geographical contexts as well as areas of thought and work in the broad field of education this handbook provides a unique history and overview of figures who have shaped education and educational thinking throughout the world **A. S. Neill** Richard Bailey, 2014-10-23 A S Neill was probably the most famous school teacher of the twentieth century His school Summerhill founded in 1921 attracted admiration and criticism from around the world and became an emblem of radical school reform and child centred education Neill claimed that he was a practical man but this book reveals that Summerhill expresses a comprehensive and distinctive set of ideas Whether he wanted to be or not Neill was an important educational thinker with a powerful influence on current educational approaches and philosophy A S Neill is the first book to examine this philosophy of education in detail It begins by showing how Neill's fascinating life story gives clues to the origin of his ideas and why they mattered so much to him It goes on to explore the main themes of his

philosophy showing how they relate to the work of other great educational thinkers and how they are novel It also discusses whether there are lessons that could and should be learned by other schools from the original alternative free school of Summerhill The Texas Civil Appeals Reports Texas. Court of Civil Appeals,1902 **Anarchism and Education** Judith Suisa,2010-09-15 While there have been historical accounts of the anarchist school movement there has been no systematic work on the philosophical underpinnings of anarchist educational ideas until now Anarchism and Education offers a philosophical account of the neglected tradition of anarchist thought on education Although few anarchist thinkers wrote systematically on education this analysis is based largely on a reconstruction of the educational thought of anarchist thinkers gleaned from their various ethical philosophical and popular writings Primarily drawing on the work of the nineteenth century anarchist theorists such as Bakunin Kropotkin and Proudhon the book also covers twentieth century anarchist thinkers such as Noam Chomsky Paul Goodman Daniel Guerin and Colin Ward This original work will interest philosophers of education and educationalist thinkers as well as those with a general interest in anarchism *Report Cards* Wade H. Morris,2023-09-26 The definitive history of the report card Report cards represent more than just an account of academic standing and attendance The report card also serves as a tool of control and as a microcosm for the shifting power dynamics among teachers parents school administrators and students In *Report Cards A Cultural History* Wade H Morris tells the story of American education by examining the history of this unique element of student life In the nearly two hundred year evolution of the report card this relic of academic bookkeeping reflected broader trends in the United States the republican zealotry and religious fervor of the antebellum period the failed promises of postwar Reconstruction for the formerly enslaved the changing gender roles in newly urbanized cities the overreach of the Progressive child saving movement in the early twentieth century and by the 1930s the increasing faith in an academic meritocracy The use of report cards expanded with the growth of school bureaucracies becoming a tool through which administrators could surveil both student activity and teachers And by the late twentieth century even the most radical critics of numerical reporting of children have had to compromise their ideals Morris traces the evolution of how teachers students parents and administrators have historically responded to report cards From a western New York classroom teacher in the 1830s and a Georgia student in the 1870s who was born enslaved to a Colorado student incarcerated in the early 1900s and the son of Russian Jewish immigrants applying to college in the 1930s *Report Cards* describes how generations of people have struggled to maintain dignity within a system that reduces children to numbers on slips of paper *The Legend of the Black Mecca* Maurice J. Hobson,2017-10-03 For more than a century the city of Atlanta has been associated with black achievement in education business politics media and music earning it the nickname the black Mecca Atlanta s long tradition of black education dates back to Reconstruction and produced an elite that flourished in spite of Jim Crow rose to leadership during the civil rights movement and then took power in the 1970s by building a coalition between white progressives business interests and black Atlantans But as Maurice

J Hobson demonstrates Atlanta's political leadership from the election of Maynard Jackson Atlanta's first black mayor through the city's hosting of the 1996 Olympic Games has consistently mishandled the black poor Drawn from vivid primary sources and unnerving oral histories of working class city dwellers and hip hop artists from Atlanta's underbelly Hobson argues that Atlanta's political leadership has governed by bargaining with white business interests to the detriment of ordinary black Atlantans In telling this history through the prism of the black New South and Atlanta politics policy and pop culture Hobson portrays a striking schism between the black political elite and poor city dwellers complicating the long held view of Atlanta as a mecca for black people
