, The Goodbye Summer Sarah Van Name, 2019-05-07 Sarah Dessen meets Morgan Matson in the perfect summer debut about learning to say goodbye or finding a reason to stay Caroline is counting the days until September when she'll turn seventeen and she and her older boyfriend Jake will run away together She doesn't feel connected to anyone at home now that she has him and she can't wait to see the world with the most important person in her life So with just a few more months until freedom she spends her summer working at the local aquarium gift shop and dreaming of the fall Then she meets Georgia a counselor at the aquarium's camp and Caroline's world changes Through pizza lunches trips to amusement parks and midnight talks Georgia begins to show Caroline there's more to life than being with Jake The stronger Georgia and Caroline's bond grows the more uneasy Caroline becomes about her plans to leave When summer comes to a close she'll have to say goodbye to someone but who is she willing to lose

*Made for Export 2010 Summer (No.602)* , *Summer's Gold* Carrie Whitfield, 2006-07 Joshua walked to the front of the room and stood behind the podium From deep within he heard these words I have received a marvelous gift This gift cost its bearer his life It is a gift of love of hope of redemption for all who enter into it I will build a church that all may know and receive the great gift of God On his deathbed an evangelist bequeaths his vision of a church and the gift of gold to build it to a fortuitous young man Joshua Summer but with a binding promise Summer's Gold And Its Redemptive Ooze follows Summer's arduous quest to fulfill this vision through the challenges and triumphs of living in the American South during the 1890s Halfheartedly accepting the responsibility of his quest Summer clashes with local law enforcement is pursued by Federal agents and encounters the K group a racist faction similar to the Ku Klux Klan But it is only when he experiences soul wrenching changes and emerges as a confident mature man that he becomes a true believer a man ready to build his church After overcoming racial prejudice Summer unites the whole county through the power of God's transformative love providing a healing balm to this hate filled community

Midcentury Modern Art in Texas Katie Robinson Edwards, 2014-07-01 Winner Award of Merit for Non Fiction The Philosophical Society of Texas 2015 Before Abstract Expressionism of New York City was canonized as American postwar modernism the United States was filled with localized manifestations of modern art One such place where considerable modernist activity occurred was Texas where artists absorbed and interpreted the latest most radical formal lessons from Mexico the East Coast and Europe while still

responding to the state's dramatic history and geography This barely known chapter in the story of American art is the focus of Midcentury Modern Art in Texas Presenting new research and artwork that has never before been published Katie Robinson Edwards examines the contributions of many modernist painters and sculptors in Texas with an emphasis on the era's most abstract and compelling artists Edwards looks first at the Dallas Nine and the 1936 Texas Centennial which offered local artists a chance to take stock of who they were and where they stood within the national artistic setting She then traces the modernist impulse through various manifestations including the foundations of early Texas modernism in Houston early practitioners of abstraction and non objectivity the Fort Worth Circle artists at the University of Texas at Austin Houston artists in the 1950s sculpture in and around an influential Fort Worth studio and to see how some Texas artists fared on a national scale the Museum of Modern Art's Americans exhibitions The first full length treatment of abstract art in Texas during this vital and canon defining period Midcentury Modern Art in Texas gives these artists their due place in American art while also valuing the quality of Texan-ness that subtly undergirds much of their production

**Goodbye To Boleyn** Pete May, 2016-11-10 Essex scribe and literary Hammer Pete May writes with humour and eloquence about the most turbulent year of change at the Boleyn since

Ken's Caf got a tub of Flora Phill Jupitus West Ham's final season at the Boleyn Ground was always going to be memorable. It featured a new manager in Slaven Bilic, the arrival of a French magician called Dimitri Payet and away wins at Arsenal, Liverpool and Man City, not to mention an unexpected tilt at the top four and an epic last game at the Boleyn against Man United. But a new beginning is around the corner and as he and his fellow Hammers prepare to swap the gritty East End streets of E13 for the shiny shopping centres of Stratford, lifelong supporter Pete May reflects on the special place the Boleyn Ground has occupied in the hearts of generations of Irons fans. Whether it's the infamous chants of the Bobby Moore Stand, the pre-match fry-ups at Ken's Caf or the joys of sticky carpets, rubbish ale and blokes singing on pool tables in the pubs around Upton Park, Pete's memories are sure to resonate with legions of the claret and blue army as they say farewell to the Boleyn and enter a new era at the London Stadium.
