Summoned by Balls Signed Stock Christopher Matthew, 2005-09-12      The Call of War Phoenix Snow, 2023-05-26 About the Book The saga continues as Natalie and her gang face challenges that threaten to end their world They must make new and risky alliances with neighboring kingdoms to ensure the safety of the entire kingdom as war erupts Saving the world proves more difficult than they anticipated around every turn new secrets and surprises work to keep them from their goal Will Natalie and her friends be able to stop King Black and his army or will everything the gang has worked for be for nothing About the Author Phoenix Snow likes to read books and manga and lie in her hammock with her dog She loves to play music while writing and reading as it helps with her thought process She lives in Fort Worth TX with her brother but she also has three other siblings who live out of town      **The Laufeyson Bloodline System** Veronique Ang, In a twisted dystopian world of the future Loki anxiously waits for the day he turns 16 What will he discover about what was promised him on this day Will he even survive the 2 years of military school that awaits him What awaits him turns out to be an adventure beyond his wildest imagination If not for his friends he would have been nobody If not for him his friends would have been dead      Transformed Dan Kenner, 2021-02-04 Once one of the most deadly assassins in Lindrad Janis is now plagued by the bureaucratic limitations of Evenir and the odd Light powers they wield Newly awakened to his own powers Marric wants only to prove his worth in the world he s now part of Together the assassin and novice are thrown into the front lines of a growing conflict against Watchlight As they both manifest and expand their abilities each must also navigate missions to recruit new Lightbearers before the enemy reaches them first Prost an ex military man turned Watchlight operative looks forward to meeting Janis in battle again despite his Lightbearing immunity being called into question While he plots his next move Prost dreams of ending his days playing pawn to Riln a leader blinded by his obsession with power What seemed a mortal conflict has now turned into something far more foreboding Further complicating matters new figures emerge who haunt and wreak havoc Yet hope still remains in the form of an uncovered history Ultimately Janis Marric and even Prost must learn the value of balance in their own lives as well as for the fate of the world at large Should they fail darkness will irrevocably be unleashed      **I Accidentally Summoned a Demon** Jaide Harley, 2023-02-13 Shy and innocent Katherine has always dreamed about getting the main part in one of her theater s plays In addition to a love for stage acting the role would help distract her from the looming anniversary of her parents tragic deaths A home rehearsal turns into something unexpected when her script s Latin incantation accidentally summons a high ranking demon Nex Getting summoned is a nuisance but in the name of all that s unholy why did Nex have to be bonded by blood to the purest human He can only return to hell if he kills the person she names and Katherine is too virtuous to have a murder on her hands Though Nex utilizes a multitude of devilish tactics to convince her otherwise he s now stuck in the human realm Katherine should be scared of Nex s demonic powers and foul mouth but she can t seem to resist his charm and sinfully good looks The longer he

stays their mutual attraction and desire become undeniably heated Unfortunately human and demon relations are strictly forbidden While supernatural forces and the demon leader herself try to tear them apart the only thing they can rely on is love and a little bit of faith *Hero Zarius Larry-Dortch, **Satiana's Magical Adventure** AEA Kimlin,2018-06-12* Satiana is a twelve year old girl living in Orchid Village where Kamori the sorceress raised her after finding her stranded in the forest as a baby Satiana is learning to be an enchantress but is having trouble controlling her powers But then she discovers her moon and star powers during her training with Lumiere She has won the tournament but during her victory party she is confronted by a white skinned demon named Sheiko who calls her Moon Child Satiana then sets out on a journey to find her long lost real parents meeting new friends along the way such as Tokomo the fairy confronting other five demons learning about Moon People and trying to stop an evil threat the Lord of Darkness ***Summon the Seasons** Sandra Ulbrich Almazan,2017-10-09* The conclusion of The Season Avatars fantasy series Kay might be the youngest smallest and least confident Season Avatar but her weather magic makes her the most powerful of her group Now that she also can contact the souls of dead Avatars her quartet has a chance to end Chaos Season permanently All Kay and her sister Avatars need are three more bones To obtain them Kay s quartet must travel across Challen evading the King s Watch and Selathens who want to protect their demigoddess Salth creator of Chaos Season Kay s deepest beliefs about her God and her longtime rival Dorian will be challenged during the trip If she loses her faith and newfound courage she will fail and the rest of the Season Avatars with her ***The Destined Warrior** Mr. Jonathan Burrell,2010-01-19* Centuries ago in realm unlike our own a realm where mythical creatures resides a war was being held between all creatures vampires sorcerers werewolves etc all fighting for the mythical realm As the war went to Gaia mother of the earth and earth mother to all realms was really furious so she appeared from the ground in the middle of the battle field and said That s it I ve sat along side and watched you fight for centuries and I m sick of it Since you can t share this land I will have to separate you and put you on your own separate lands So Gaia waved her hands in the air and closed her eyes and from her hand magic came out and the land started to magically separate and transporting them all to the land meant for each of them ***Medusa's Hair** Gananath Obeyesekere,2014-02-08* The great pilgrimage center of southeastern Sri Lanka Kataragama has become in recent years the spiritual home of a new class of Hindu Buddhist religious devotees These ecstatic priests and priestesses invariably display long locks of matted hair and they express their devotion to the gods through fire walking tongue piercing hanging on hooks and trance induced prophesying The increasing popularity of these ecstasies poses a challenge not only to orthodox Sinhala Buddhism the official religion of Sri Lanka but also as Gananath Obeyesekere shows to the traditional anthropological and psychoanalytic theories of symbolism Focusing initially on one symbol matted hair Obeyesekere demonstrates that the conventional distinction between personal and cultural symbols is inadequate and naive His detailed case studies of ecstasies show that there is always a reciprocity between the personal psychological dimension of the symbol and its public culturally

sanctioned role Medusa's Hair thus makes an important theoretical contribution both to the anthropology of individual experience and to the psychoanalytic understanding of culture In its analyses of the symbolism of guilt the adaptational and integrative significance of belief in spirits and a host of related issues concerning possession states and religiosity this book marks a provocative advance in psychological anthropology *Fire Slinger: The Complete Collection* Josh
