Sun King Louis XIV Of France:

The Sun King, Louis XIV at Versailles Nancy Mitford,1976 *A Fanfare for the Sun King* Pamela Cowen,2003 This illustrated volume published in conjunction with an exhibition at The Fan Museum Greenwich gathers together a group of over 40 fans and fan leaves dating from the reign of Louis XIV These fans and fan leaves are presented within five thematic chapters which together present a unique insight into the social cultural and political life of the Court of Louis XIV much of it centred on the Gardens of Versailles and the role played by the fans in presenting and promoting all aspects of Louis reign The author identifies many of the sources of the designs and motifs of the fans and shows how the design and decoration of these fans was integrally linked with wider stylistic developments within the decorative arts BOOK JACKET *Louis XIV* Olivier Bernier,2018-02-17 Louis XIV the Sun King or Louis the Great as he was also known ruled France with an iron fist for over half a century from 1651 to his death in 1715 outliving his son and even his grandson His court at the Palace of Versailles became the most dazzling on the Continent and through his intelligence and cunning he made France the leading power of Europe Now in this masterful biography historian Olivier Bernier brilliantly recreates Louis XIV s world to reveal the secrets of this monarch s unequaled sovereignty and to explore the singular mystique that surrounds him today Not only was Louis heir to his father s throne he felt he was divinely chosen to rule France From the year he became king at the age of thirteen he oversaw every aspect of government from waging war and making political appointments to supervising the building of his many palaces Along with political treachery that marked Louis XIV s long reign Bernier also brings to light the personal scandals We witness the poignant resignation of Louis XIV s queen to her husband s parade of mistresses and illegitimate children the infamous intrigue when the king s brother was accused of poisoning his wife in a jealous rage and the momentous building of Versailles not an act of monstrous self indulgence that bankrupted the nation but the visible expression of Louis XIV s new monarchy his ingenious methods of centering all activity around court life thus preventing his courtiers from fomenting rebellion Under the Sun King architecture painting music and theater flourished making France not only a great political force but a paradigm of fashion and culture as well Louis XIV takes us from the grandeur of Versailles to the battlefields of the countryside from the bedrooms of the king s mistresses to the chambers of his ministers and presents an engrossing portrait of royal life and a commanding leader *The Sun King* Nancy Mitford,1969 Biography of King Louis XIV of France *The Sun King* ,1984 *The Sun King; Louis XIV of France* Alfred Apsler,1965 *Sun King* David Lee Rubin,1992 This work is a selection of papers presented at the Folger Institute by an international collegium of scholars on the ascendancy of French culture during the reign of Louis XIV **King Louis XIV** Pierre L. Horn,1991 Presents the life of the seventeenth century French monarch known as the Sun King **Louis XIV Outside In** Professor Charles-Édouard Levillain,Professor Tony Claydon,2015-12-28 Louis XIV the Sun King casts a long shadow over the history of seventeenth and eighteenth century Europe Yet while he has been the subject of numerous works much of the scholarship remains firmly

rooted within national frameworks and traditions Thus in France Louis is still chiefly remembered for the splendid baroque culture his reign ushered in and his political achievements in wielding together a strong centralised French state whereas in England the Netherlands and other protestant states his memory is that of an aggressive military tyrant and persecutor of non Catholics In order to try to break free of such parochial strictures this volume builds upon the approach of scholars such as Ragnhild Hatton who have attempted to situate Louis legacy within broader pan European context But where Hatton focused primarily on geo political themes Louis XIV Outside In introduces current interests in cultural history integrating aspects of artistic literary and musical themes In particular it examines the formulation and use of images of Louis XIV abroad concentrating on Louis neighbours in north west Europe This broad geographical coverage demonstrates how images of Louis XIV were moulded by the polemical needs of people far from Versailles and distorted from any French originals by the particular political and cultural circumstances of diverse nations Because the French regime s ability to control the public image of its leader was very limited the collection highlights how at least in the sphere of public presentation his power was frequently denied subverted or appropriated to very different purposes questioning the limits of his absolutism which has also been such a feature of recent work **Versailles and the Court Under Louis XIV** James Eugene Farmer,1905
