If you're feeling ambitious the small designs can be assembled to form a larger piece. Patterns are organized according to theme: animals, designs including flowers and snowflakes, home and hearth consisting of more than 40 patterns that range from a patchwork heart and an antique sewing machine to teapots, a watering can, and variations on home sweet home, nature and charming patterns for special occasions. A brief introductory section offers advice on getting started, tools and supplies, and stitching. A treat. Cross stitchers will love this book. Christian Fiction and More
