Smith, 1990 Inspirational homilies for Sundays **In Season and Out, Homilies for Year B** William J. Grimm, 2017-12-31 The Catholic Church lives on two lungs Word and Sacrament They reach their clearest expression and celebration for the Church's life in the Eucharist the source and summit of the Church's life as Vatican 2 puts it Father William J Grimm is a Maryknoll Missioner of 40 years experience in Asia mostly Japan but Hong Kong and Cambodia as well In that time he has come to deepen his understanding of the distinctiveness of the message and person of Jesus Christ even in circumstances and among people that Jesus could never have known or imagined It is not enough to understand what the readings mean as those who composed them intended us to grasp The critical thing is to find what that meaning might be in the context of our times and contexts Speaking the Word in our time and for our places is the challenge of preaching and it is to that challenge that Fr Grimm devotes his learning experience and imagination Every week for the Church's three year liturgical cycle Fr Grimm gives visitors to [www.ucanews.com](http://www.ucanews.com) UCAN the benefit of his learning prayer wisdom and experience Each week his homilies for Sundays and special feasts are seen by some 3 000 visitors to the main UCAN site and with subtitles on UCAN's Vietnamese and Chinese sites Now the text of those homilies is published not only to assist preachers in the preparation of their homilies but for anyone wanting to deepen their understanding of the text and find material for fruitful prayer on the Sunday readings **Seeds for the Soul** Brendan McGuire, 2005 Hopes to break open the Word of God in a different way enabling preachers and priests to bring the gospel into conversation with the lives of ordinary people through the use of stories It is the intention of this book to feed the souls of many who never get to the table of the Lord on Sundays **The Fathers on the Sunday Gospels** Holmes, 2012-11-01 Now the fathers of the church speak from across the ages each week The Fathers on the Sunday Gospels provides rich reflections on every Sunday gospel reading in the three year Lectionary from Augustine Bede Ambrose Gregory the Great Aelred John Scotus Erigena Origen Cyril of Alexandria and many more This unique volume will prove to be an invaluable companion for preachers and for personal reflection on the Sunday gospels It is also an ideal gift for ordination and anniversaries of priesthood **Preparing for Worship: Cycle B** Daniel Donovan, 1993 The Sunday liturgy is the summit and source of spiritual nourishment for most churchgoing Christians Central to that worship are the assigned Bible readings In this volume Donovan priest theologian popular preacher and columnist offers succinct reflections on the scripture passages selected for the Sundays and major feast days of Lectionary Cycle B While rooted in modern biblical scholarship Donovan's focus is primarily spiritual and theological with a pastoral touch Preachers lectors catechists and teachers will find a wellspring of insights and pertinent themes a concise handbook for personal

*The Word in and Out of Season: Homilies for the Sundays of ordinary time, cycle B* Richard Viladesau, 1990 Finely crafted homilies for each Sunday of ordinary time Cycle B along with a reflective introduction on the theology of the Word

**Power from the Word** Donald Anyagwa, 2016-03-30 I have through this compiled work Power from the Word Sunday Homilies for Cycle B tried to make alive and active Gods Word to us through the liturgical readings for Sundays and Feast Days of the occurring year The arrangement and methodology flow from those of Cycle A Advent Christmas Lent Easter Ordinary Time Feast Days Through the homilies I gave more consideration to what goes around our todays human situations than how it happened when Jesus was walking alongside the streets of Judea and Galilee and working amongst people with different cultural settings Nevertheless his teachings and approaches are the indispensable yardstick And this is what any homilist has to bear in mind even when this book is considered worthwhile making reference to in preparing homilies for the People of God Nonetheless reading through the homilies of this presentation for personal reflection and growth in spirituality outside the Sunday liturgy is entirely a different thing It could be a stitch on time

"Amen, I Say to You" Clyde A. Bonar, 2007-11-06 Amen I Say to You includes homilies for Cycles A B and C of the liturgical year and a homily for each Holy Day of Obligation within the Roman Catholic Church Each homily consist of three main points with supporting examples and illustrations These are homilies I have preached and they have been constructed with attention to verbal presentation Another homilist easily should be able to substitute or include examples from his or her own pastoral or lived experience within the conceptual structure each homily provides These homilies are not essays they include no long convoluted hard to understand sentences I try for simplicity of words and sentences for concrete language everyone can understand Feedback from posting some of the homilies on the internet has characterized the homilies as well planned with ideas placed in a logical and precise order They have been called simple personal and practical very inspired and insightful containing deep reflection and authentic Christian faith and illustrative applied and down to earth practical

**Reflections for Sundays, Year B** Paula Gooder, 2017-10-05 Reflections for Daily Prayer has nourished thousands of Christians for a decade with its inspiring and informed weekday Bible reflections Now this book combines material from over the years with new writing to provide high quality reflections on the Principal readings for Sundays and major Holy Days

**The Word in and Out of Season: Homilies for the Sundays of Advent and Lent** Richard Viladesau, 1996 The fourth in this series of homily collections offers inspiring homilies for the Advent and Lent seasons

**From Gloom to Bloom** Donald Anyagwa, 2016-10-21 The theme for this collection of homilies has two overriding words gloom and bloom divergent human circumstances of life that assume new meanings in the presence of Jesus the Savior As he stood out to feed the teeming desert crowds and made significant leftovers he now comes again through his

Word and in the person of his minister and celebrant to turn the gloom in the hearts of his people into joy to fill their emptiness with his rich food and to guide their wobbling steps with his enlightening wisdom It is simply faith at work It is the blooming hope from God's Word It is vibrancy from the pulpit to the pew      *Scripture Backgrounds for the Sunday Lectionary, Year B* Mary A. Ehle, Peg Ekerdt, Jean Marie Hiesberger, Biagio Mazza, Mary M. Mcglone, csj, Abbot Gregory J. Polan, osb, Denise Simeone, George Smiga, Paul Turner, 2018-03-25 This resource provides invaluable commentary on the Lectionary readings for Year B including the Responsorial Psalm for Sundays Holy Days of Obligation and feasts and solemnities that may occur on a Sunday Written in a pastoral tone it offers historical critical background on each of the readings and underscores their relevance to life today Thematically related quotations from major Church documents are included with each Scripture background to provide context and connections to Church teaching Organized by the liturgical calendar each season of readings begins with an overview of the season and a brief look at where the readings come from and any unifying messages or themes present throughout the selected readings Scripture Backgrounds for the Sunday Lectionary Year B is written by a team of writers with a broad range of theological pastoral and catechetical experience Their reflections offer homilists a solid foundation from which to begin the process of preparing to speak the Word of God to their assemblies      The Analemma Waltz Paul Vincent, 2020-11-18 When author Paul Vincent moved into his new home in Bristol Rhode Island he was struck by how generously its interior gathered sunlight and decided to keep a record of the annual solar itinerary across its walls floors and furniture The result is The Analemma Waltz a celebration of the sun's slow motion dance through his house facilitated in part by its surfeit of windows but much more so by the analemma the narrow figure eight pattern the sun describes in the sky in the course of a year in the Earth's orbital journey Vincent's habit of noting and minuting the changing positions of sunlight day by day and week by week was the catalyst for meditations on matters of universal concern as suggested by the times and the seasons of the year and approached not from the perspective of a scholar or academic but from that of an interested layperson Such matters addressed in the monthly chapters include the study of history the virtue of tolerance the conflict between science and religion and the morality of war Despite the varied nature of the essay topics in The Analemma Waltz certain themes appear and reappear throughout the book namely the author's convictions that existential particularity is the occasion of both joy and sadness that the world's people though the beneficiaries of seemingly endless breakthroughs in technology are and will remain metaphysically vulnerable and that appreciation prompting gratitude is the highest vocation of the human person      **Wheels of Light** Fr. Con Buckley, 2015-02-12 These introductions homilies reflections and prayers are not theory but a priest's experience of a liturgical approach that works The testimony of the faithful who say what a lovely mass what a moving homily could I have a copy is his touchstone So is the popularity of the homilies on his internet web A Priest Reflects This book works because it treats each Sunday liturgy as a seamless robe of rich interwoven themes Thus the introduction identifies the links between

the Old Testament reading and the Gospel and adds any gems from the second reading Then when the scripture is read people clued in to the overall import listen more profitably The homily elaborates the key themes from the readings further and relates them to life with stories anecdotes newspaper headlines references to common events etc The aim is that the Word should light up our contemporary experience The final doxology reinforces the point that the Word is life for this world not just the next The creed introduction summarizes the whole and the prayers carry that on into petitions for church leaders civil authorities youth the sick the dead and special needs There are special prayers for our youth that gaps in our congregations there will be bridged And the presiding minister should add other topical issues of the day The reflection after holy communion again reinforces the overall message but also leaves the people of God with something spicy and memorable to take home So all in all this book should light up our masses or services and make them gospel based relevant inspirational and focused The homilies are timed at about five minutes people s normal attention span So don t miss out on this innovative book Buy it and it will light up your Sunday mass and provide spiritual food for the following week
