Sunshine After Rain Charlynn Johns,1995      **A Good Reason to Go** Charlynn Johns,      *The Poems of Andrew Lang* John Sloan,2025-05-30 Andrew Lang 1844 1912 made his name in the last quarter of the Victorian era in a remarkable number of literary and intellectual fields as popular poet influential literary critic editor of the classic series of Fairy Books for the young and as author of groundbreaking books on anthropology Homeric scholarship folklore and history This is the first annotated edition of Lang s poems bringing together his books of verse and over 150 additional poems many of them collected for the first time John Sloan s introduction provides a compelling account of Lang s achievements as a poet whose first two books of verse Ballads and Lyrics of Old France and Ballades in Blue China were a harbinger of the English aesthetic movement Lang helped to create an abiding interest in French poetry and to encourage a new spirit of literary cosmopolitanism in England He also widened the appeal of poetry in an age of new knowledge advancing literacy and the growth of the popular press The authoritative text is accompanied by extensive notes identifying important allusions and significant connections between the poems and Lang s other writings In the headnote to each poem the reader will find a record of publication history textual variants and sources including details of the original sources of Lang s verse translations from the French Greek and Latin The edition offers an invaluable guide to the study of Lang s poetry for students and scholars of nineteenth century British poetry      *Echoes of Life Or, Beautiful Gems of Poetry and Song* Grace Townsend,1891

Otis,1905 Writings in poetry and prose      *"The" Athenaeum* ,1857      *Athenaeum and Literary Chronicle* ,1857      Survival Is a Promise Alexis Pauline Gumbs,2024-08-20 A Time Must Read Book of the Year Winner of the Judy Grahn Award for Lesbian Nonfiction A Publishers Weekly Top Ten Book of the Year Shortlisted for the 2025 Brooklyn Public Library Book Prize A bold innovative biography that offers a new understanding of the life work and enduring impact of Audre Lorde We remember Audre Lorde as an iconic writer a quotable teacher whose words and face grace T shirts nonprofit annual reports and campus diversity center walls But even those who are inspired by Lorde s teachings on the creative power of difference may be missing something fundamental about her life and work and what they can mean for us today Lorde s understanding of survival was not simply about getting through to the other side of oppression or being resilient in the face of cancer It was about the total stakes of what it means to be in relationship with a planet in transformation Possibly the focus on Lorde s quotable essays to the neglect of her complex poems has led us to ignore her deep engagement with the natural world the planetary dynamics of geology meteorology and biology For her ecological images are not simply metaphors but rather literal guides to how to be of earth on earth and how to survive to live the ethics that a Black feminist lesbian warrior poetics demands In *Survival Is a Promise* Alexis Pauline Gumbs the first researcher to explore the full depths of Lorde s manuscript archives illuminates the

eternal life of Lorde Her life and work become more than a sound bite they become a cosmic force teaching us the grand contingency of life together on earth      **Chambers's Cyclopædia of English Literature** Robert Chambers,1893      **The writers directory** [Anonymus AC00423973],1991      **The Literary World** ,1887      Pieces People Ask For, Serious, Humorous, Pathetic, Patriotic, and Dramatic Selections in Prose and Poetry, for Readings and Recitations George Melville Baker,1908      **The Banner of Gold** ,1910      **The Canadian Encyclopedia** James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented

For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *Christian Advocate* ,1911 The Casquet of Literature Charles Gibbon,1879 **Supplement to the Courant** ,1862
