

## Body Boundaries Worksheet

Draw a boundary around the girl and the boy. Name them if you like! This is called personal space. We must maintain our personal space at all times. Someone is allowed to hug, kiss or touch us only if we allow it!

There are some areas on our body that absolutely no one should touch. Circle the areas that are 'bad touch' areas.

Remember to always tell someone if you feel your personal space is being invaded without your choice!

Appalling Bodies Joseph A. Marchal, 2020 The letters of Paul are among the most commonly cited biblical texts in ongoing cultural and religious disputes about gender sexuality and embodiment Appalling Bodies reframes these uses of the letters by reaching past Paul toward other far more fascinating

figures that appear before after and within the letters The letters repeat ancient stereotypes about women eunuchs slaves and barbarians in their Roman imperial setting each of these overlapping groups were cast as debased dangerous and complicated Joseph Marchal presents new ways for us to think about these dangers and complications with the help of queer theory Appalling Bodies juxtaposes these ancient figures against recent figures of gender and sexual variation in order to defamiliarize and reorient what can be known about both The connections between the marginalization and stigmatization of these figures troubles the history ethics and politics of biblical interpretation Ultimately Marchal assembles and reintroduces us to Appalling Bodies from then and now and the study of Paul s letters may never be the same **The Scary Screen**
