## **Terrorist Within:**

*Inside Terrorist Organizations* David C. Rapoport, 2001 Describing the internal life of terrorist organizations these essays contend that no description of terrorist behaviour is adequate without a grasp of the deep tensions which often characterize the groups and without appreciating how firmly implanted in our culture terrorist traditions have become since the middle of the 19th century *Terrorist in Search of Humanity* Faisal Devji, 2019-12-01 Argues that various forms of militancy such as the actions of al Qaeda are informed by the same desire for agency and equality that animates other humanitarian interventions such as environmentalism and pacifism Terrorism in the United States, 1989 **Inside Terrorism** Bruce Hoffman, 2006 Defining terrorism The end of empire and the origins of contemporary terrorism The internationalization of terrorism Religion and terrorism Suicide terrorism The old media terrorism and public opinion The new media terrorism and the shaping of global opinion The modern terrorist mind set tactics targets tradecraft and technologies Terrorism today and tomorrow **Homeland Security Organization in Defence Against Terrorism** J. P. I. A. G. Charvat, 2012 Centre of Excellence Defence Against Terrorism Ankara Turkey Terrorism in the Twenty-First Century Cynthia C. Combs, 2017-11-28 Terrorism in the Twenty First Century helps readers understand terrorism responses to it and current trends that affect the future of this phenomenon Putting terrorism into historical perspective and analyzing it as a form of political violence this text presents the most essential concepts the latest data and numerous case studies to promote effective analysis of terrorist acts Terrorism in the Twenty First Century objectively breaks down the who what why how of terrorism giving readers a way both to understand patterns of behavior and to more critically evaluate forthcoming patterns New to the 8th Edition Provides a more intense exploration of religion as a primary cause of contemporary terrorism Focuses on the role of social media in recruitment and propaganda Examines the radicalization and recruitment by ISIS to fighting and to domestic young people to carry out attacks at home Explores the growing threat and reality of cyber attacks Updates the material on the networking of terrorism today **Tangled Roots: Social and Psychological Factors in the Genesis of Terrorism** J. Victoroff, 2006-11-14 The book is organized to assist readers in finding the topics that interest them the most What do we really know about the contributing causes of terrorism Are all forms of terrorism created equal or are there important differences in terrorisms that one must know about to customize effective counter strategies Does poverty cause terrorism Are terrorists typically crazy vengeful misled or simply making an entirely sensible choice Why would people blow themselves and others up Is the war on terrorism even a useful idea Is it being fought wisely or are much better ideas staring policy makers in the face Do leaders of targeted nations wilfully neglect the best solutions Most of the lessons in this book concern the basic human ingredients that combust to produce violent extremism Thus regardless of the mutations that occur in substate terrorism the timeless scholarship here will hopefully be somewhat helpful even to our grandchildren **The Psychology of Terrorism Fears** Samuel Justin Sinclair, Daniel Antonius, 2012-06-13 The psychology of terrorism in its most

basic form is about fear Although academics continue to debate the meaning of terrorism the end result for victims of terrorism is very often fear and terror Many studying the effects of terrorism have focused more exclusively on discrete psychopathological constructs most of which are clinically based Ironically these paradigms fail to acknowledge the primacy of basic fear in the context of terrorism as well as how fear affects people in both positive and negative ways above and beyond whether one meets criteria for a clinical disorder The purposes of this book are to unpack the complexity of terrorism fears and to present a new paradigm for understanding the psychology of terrorism As such this book presents empirical and theoretical frameworks for understanding fear as a dynamic process that motivates and affects people on a myriad of levels from the individual to society at large The book also highlights the paradox of how fear can negatively impact people and societies but also be a central force underlying resilience and post traumatic growth Finally The Psychology of Terrorism Fears discusses how society has changed as a result of terrorism and specifically how our own systems for managing terrorism may in fact contribute to fear

**Drones and Unmanned Aerial Systems** Aleš Završnik, 2015-12-23 This book tackles the regulatory issues of Unmanned Aerial Systems UAS or Remotely Piloted Aerial Systems RPAS which have profound consequences for privacy security and other fundamental liberties Collectively known as drones they were initially deployed for military purposes reconnaissance surveillance and extrajudicial executions Today we are witnessing a growth of their use into the civilian and humanitarian domain They are increasingly used for goals as diverse as news gathering aerial inspection of oil refinery flare stacks mapping of the Amazonian rain forest crop spraying and search and rescue operations The civil use of drones is becoming a reality in the European Union and in the US The drone revolution may be a new technological revolution Proliferation of the next generation of recreational drones show how drones will be sold as any other consumer item The cultural perception of the technology is shifting as drones are increasingly being used for humanitarian activities on one hand but they can also firmly be situated in the prevailing modes of postmodern governance on the other hand This work will be of interest to researchers in Criminology and Criminal Justice interested in issues related to surveillance security privacy and technology It will also provide a criminological background for related legal issues such as privacy law aviation law international criminal law and comparative law

Terror in Global Narrative George Fragopoulos, Liliana M. Naydan, 2016-12-08 This is a collection of interdisciplinary essays that examines the historical political and social significance of 9 11 This collection considers 9 11 as an event situated within the much larger historical context of late late capitalism a paradoxical time in which American and capitalist hegemony exist as pervasive and yet under precarious circumstances Contributors to this collection examine the ways in which 9 11 changed both everything and at the same time nothing at all They likewise examine the implications of 9 11 through a variety of different media and art forms including literature film television and street art

The Threat Of Terrorism Juliet Lodge, 2019-07-11 This book is concerned with terrorism in West European liberal democratic states and with the way in which they react as a group in the European

Community to international terrorism It interprets terrorism as a means of attempting to effect political change by the indiscriminate use of violence      Non-Western responses to terrorism Michael J. Boyle, 2019-01-11 This edited collection surveys how non Western states have responded to the threats of domestic and international terrorism in ways consistent with and reflective of their broad historical political cultural and religious traditions It presents a series of eighteen case studies of counterterrorism theory and practice in the non Western world including countries such as China Japan India Pakistan Egypt and Brazil These case studies written by country experts and drawing on original language sources demonstrate the diversity of counter terrorism theory and practice and illustrate how the world sees and responds to terrorism is different from the way that the United States the United Kingdom and many European governments do This volume the first ever comprehensive account of counter terrorism in the non Western world will be of interest to students scholars students and policymakers responsible for developing counter terrorism policy      Cities in a Time of Terror: Space, Territory, and Local Resilience H.V. Savitch, 2014-12-18 This book is about urban terror its meaning its ramifications and its impact on city life Written by a well known expert in the field Cities in a Time of Terror draws on data from more than a thousand cities across the globe and traces the evolution of urban terrorism between 1968 and 2006 It explains what kinds of cities have become prime targets why terrorism has become increasingly lethal and how its inspiration has changed from secular to religious The author describes urban terrorism as an attempt to use the city s own strength against itself forcing it to implode and delineates three basic logics of terrorist choices for targeting cities The book also includes a discussion of local resilience the city s capacity to bounce back from attack and suggests how that can be sustained Examples from New York London Jerusalem Istanbul Moscow Paris and Madrid illustrate the book s central themes      **The Impact, Legitimacy and Effectiveness of EU Counter-Terrorism** Fiona de Londras, Josephine Doody, 2015-04-10 Counter terrorism law and policy has been prominent and widespread in the years following 9 11 touching on many areas of everyday life from policing and border control to financial transactions and internet governance The European Union is a major actor in contemporary counter terrorism including through its development of counter terrorism laws for application within the Union This book undertakes a multi disciplinary and empirically informed analysis of the impact legitimacy and effectiveness of EU counter terrorism Taking into account legal societal operational and democratic perspectives this collection connects theoretical and practical perspectives to produce an interdisciplinary and multi stakeholder study of how we might measure and understand the impact legitimacy and effectiveness of EU counter terrorism Bringing together a select group of experts in the field particular emphasis is placed on understanding the practical experience of implementing and assessing these measures gathered from and with end users including law makers policy makers security services industry partners and civil society This edited collection will be of great relevance to scholars and policy makers with an interest in counter terrorism law EU law and security studies      *The Depiction of Terrorists in Blockbuster Hollywood Films, 1980-2001* Helena

Vanhala,2014-01-10 This book examines how American foreign policy and the commercial film industry's economic interests influenced the portrayal of international terrorism in Hollywood blockbuster films from the time of the Iran hostage crisis to the 9/11 terrorist attacks Part I provides a historical overview of modern international terrorism and how it relates to the United States its news media and its film industry Part II covers depictions of terrorism during the Cold War under President Reagan including films like *Commando* and *Iron Eagle* Part III covers the Hollywood terrorist after the Cold War including European terrorists in the *Die Hard* franchise *Passenger 57* *Patriot Games* *Blown Away* *The Jackal* and *Ronin* fundamentalist Islamic terrorists in *True Lies* and *Executive Decision* the return of the communist threat in *Air Force One* and 9/11 foreshadowing in *The Siege*
