Tertullian Contra Marcion:

Against Marcion Tertullian, 2014-11-23 **Tertullian #1 'Five books against Marcion** Apostle Arne Horn, 2016-03-18 Quintus Septimius Florens Tertullianus anglicized as Tertullian t r t li n c 155 c 240 AD was a prolific early Christian author from Carthage in the Roman province of Africa He is the first Christian author to produce an extensive corpus of Latin Christian literature He also was a notable early Christian apologist and a polemicist against the heresy including contemporary Christian Gnosticism Tertullian has been called the father of Latin Christianity and the founder of Western theology *Tertullian - the Five Books Against Marcion* Quintus Septimius Tertullianus, 2015-11-04 The Second Class of Tertullian's works is that which includes his treatises against the heresies of his times In these the genius of our author is brilliantly illustrated Here we venture a remark on the ambiguity of the expressions concerning our author's Montanism In the treatise against Marcion written late in his career Tertullian identifies himself with the Church and strenuously defends its faith and its apostolic order In only rare instances does his weakness for the new prophecy crop out and then it is only as one identifies himself with a school within the church Tertullian Five Books Against Marcion Tertullian, 2012-08-21 We present a volume widely differing in its contents from those which have gone before it contains the works of the great founder of Latin Christianity the versatile and brilliant Tertullian Not all his works indeed for they could not be contained in one of our books This book however considerably overruns the promised number of pages and gives three complete parts of Tertullian's writings according to the classification of our Editor in chief The Fourth volume will begin with the fourth class of his works those which exhibit our author's ascetic ideas and the minor morals of the Primitive Christians that collection being closed by the four treatises which were written in support of a defined and schismatical Montanism *Against Marcion* ,

David Litwa, 2021 *The Evil Creator* Origins of an Early Christian Idea moves beyond previous Judaist readings to argue that the evil creator is a distinctly Christian idea in biblical interpretations Through Gnostic and Marcionite readings Litwa connects ancient analyses of God's wicked actions with analysis in modern theology [The Interpretation of Kenosis from Origen to Cyril of Alexandria](#) Michael C. Magree, 2024 *The self emptying of Christ* proclaimed in the letter to the Philippians 2:7 remains a much debated topic in modern theology and exegesis This book brings the insights of Greek Christianity to the understanding of kenosis to illustrate that new dimensions of the topic open up when it is examined in the historical era of early Christianity **Orthodoxy and Heresy in Early Christian Contexts** Paul A.
