## Test Of Wills:

*A Test of Wills* Charles Todd, 2011-08-16 Don't miss the first book in the critically acclaimed Inspector Ian Rutledge series. It's 1919 and the War to End All Wars has been won. But there is no peace for Scotland Yard inspector Ian Rutledge, recently returned from the battlefields of France, shell-shocked and tormented by the ever-present voice of the young Scot he had executed for refusing an order. Escaping into his work to save his sanity, Rutledge investigates the murder of a popular colonel in Warwickshire and his alleged killer, a decorated war hero and close friend of the Prince of Wales. The case is a political minefield and its resolution could mean the end of Rutledge's career. Win or lose, the cost may be more than the damaged investigator can bear. For the one witness who can break the case open is like Rutledge, a war-ravaged victim and his grim, shattered fate could well prove to be the haunted investigator's own.

*The Test of Our Times* Tom Ridge, Larry Bloom, 2009-08-12 In the harrowing days after September 11, 2001, the President of the United States reached out to one man to help guide the nation in its quest to shore up domestic security. In this candid and compelling memoir, Tom Ridge describes the whirlwind series of events that took him from the state capital of Pennsylvania into the fray of Washington, D.C., and onto the world stage as a new leader in the fight against international terrorism. A Washington outsider, Ridge went above and beyond in his new post, identifying the need to integrate response teams on a wide-reaching scale and leading the nation's ambitious initiative of establishing a new Cabinet

department the Department of Homeland Security The author recounts how the new department s unsung heroes brought together under great duress succeeded against difficult odds and navigated the politics of terrorism Perhaps most importantly Ridge offers a prescriptive look to the future with provocative ideas such as a national ID card and the use of biometrics to track not just who enters the United States but also how long they are here Tom Ridge simply tells it like it is offering a refreshingly honest assessment of the state of homeland security today and what it needs to be tomorrow
