Testimonies Of Satan Alcohol God And Me:

Testimonies Donald R. Evans,1992-05-01 **We Fight Not Against Flesh and Blood** Donald Evans,2021-05-06 In this book we fight not against flesh and blood it is about many agendas Satan and the spirit world of spirit persons demons have set their goals to accomplish against Jehovah God s creation of the human race which have brought spiritual conflicts across the earth and which the human race are not aware of Human beings believe their fight is against flesh and blood which it isn t Our fight is against wicked spirit persons demons real and alive spirit persons who have entered multitudes of human bodies to do whatever it takes to accomplish their goals which there are many Neither age nor gender is no exception in accomplishing their goals Children of all ages are in some kind of spiritual conflict Why was prayer abolished out of their school system Why is the name of Jesus Christ the Son of God not to be used or spoken of on such campuses Why can t they pray in the name of Jesus when others around them pray to their gods openly In these writings there are many answers to questions people in general like to know but won t ask even adults want to ask I ve been in spiritual warfare or conflict my entire life I have seen Satan the devil several times whom God revealed to me Satan and demons are real spirit persons as any human being on the earth I ve dialogued with the devil not knowing that it was Satan transitioned as a real person a human being God revealed to me who Satan was He walks the earth today as a human being which only God can identify Satan as a man a real person yet spirit being Satan spirit of deception in control who passes the power of influence over every alcoholic and alcoholism throughout the entire world The world needs to know the truth There isn t any medical cure for the alcoholic nor alcoholism anywhere throughout the entire world Why isn t there Because alcoholism is not a medical problem it is a demonically controlled problem controlled by alcohol of spirit persons Demons who have entered human bodies and only by Jesus Christ s name can cure or cast these alcohol demons out of the human bodies There is no other I reiterate there is no other prominent cure but in the name of Jesus Christ Jehovah God is my witness of this truth and testimony I was held in bondage and control for nearly forty years demon possessed and demonically controlled by alcohol demons not knowing my condition until I called out to God and God cured me I heard voices in my head for as many years the voices also left My cure came on March 18 1984 I ve never drunk nor had the urge to drink nor the desire to drink nor smoked another cigarette since that day God is my witness of this testimony **Demonization Brought Spiritual Conflict upon This Nation!** Donald Evans,2020-01-31 People of all genders and ages of the nation and all nations throughout the land is at war with invisible spirit beings spirit enemies demonic forces and demon spirits within themselves internally and externally in spiritual warfare living and fighting among demonic forces in all areas of life without one s knowledge Demon spirits are not made of flesh and blood They are the invisible enemies in the physical realm and biologically in the spirit realm Demonization covers all area of human lives and all levels of governments even our own The weeds and the wheat describe how demonization has some of the world population literally believe they are the opposite sex Some male genders literally

believe they are the opposite sex Some female genders literally believe they are the opposite sex And some of both genders believe he or she are of both genders which classifies them as bisexual or having orientation to person of either sex This means demonization has brought spiritual conflict upon nations throughout the land Only Jehovah God s Word the Holy Bible can we mankind have victory over the invisible spirit enemies adversaries of the earth and in our governments at all levels

Demonic Spirits Have Invaded Human Bodies Donald R. Evans,2024-07-06 Denying Jesus Christ the Son of the Living God is the greatest mistake the entire world has made in the past and present and will continue to make in the future Without Jesus Christ as Lord and Savior in one s life how can a person live coexisting with spirit beings known as demons wicked spirit persons who have inhabited the earth the entire time mankind has been on earth Yet the world lives as though we don t coexist with spirit beings and to reject or deny the only person whom these spirit beings obey is like living without a cause People the world in general it s imperative to acknowledge that demon spirits have invaded human bodies Demonic forces whom we can t see nor control are in control of multitudes of human lives which have persons in spiritual warfare with invisible demons as enemies in mankind and fighting a battle within themselves and against others like themselves These demons which are also named evil spirits are in human bodies as demon control spirits sometimes called devils as they became dominant spirit forces Demons have been assigned to us in the body of humankind to harm kill and destroy lives by any means Demons have been assigned to our children to possess as their own to harm steal or destroy lives and family livelihood The power of Jesus Christ s name provides protection for all mankind in the spirit realm believers as well as nonbelievers

Living Testimony Johnnie Lee Moore Jr.,2011-05-06 December 26 1999 The Reverend Ananias Divine couldn t believe his eyes The Church was so enormously packed that they had to bring in about two hundred more chairs to accommodate the mass of the Congregation While the whole nation and the people in the rest of the world were overwhelmingly concerned about Y2K the people in the small town of Prairie View Texas had only one major concern on their mind Reverend Divine was retiring as the Pastor of the Divine Temple Holiness Church and the Reverend Bruce Baltimore was to take over Reverend Divine was a godly man whom everybody looked up to with the outmost respect People loved and respected him all their lives Reverend Baltimore on the other hand did some things in his life that many would feel would make him unworthy to be Pastor Bruce Baltimore constantly reminded the Congregation that he was a living testimony that if God could show grace and mercy and save a wretched and useless man like him that he could save anybody who trust in Him and call upon His name Like the prodigal son Bruce Baltimore was on the verge of losing everything his job his ball games his marriage his son his daughter respect from his dog his fi nance and material things his sanity and even his own life both spiritually and physically But Bruce fi nally comes to himself and accepts God s amazing grace Readers can fi nd out more about the life of Bruce and his family as his story unravels in Living Testimony

Addiction—God’S Healing Duly Noted,2018-02-21 I was just your run of the mill alcoholic who God saw fit to rescue For close to forty years I struggled with

addiction and as time went on it always got worse quicker and got more intense after any period of clean time It was not until this unprofessional writer put God like I never had him before in my life and also after a proven twelve step program that I was able to get and stay sober one day at a time I was bankrupt in all ways financially emotionally mentally at times I couldn't remember my name and almost spiritually I turned a perfectly good life into a perfect mess by choice Why I ended up at a few homeless shelters Family and friends were asking begging me to get out of my hometown Buffalo New York because I was going to die as the whole city turned into a people place and things place that people are warned about in recovery Today I tell God people at recovery meetings family and friends I have the best life of anybody I know and I believe it God gets and deserves all the glory all the honor and all the praise that my family and friends give to me God blessed me with one grandchild daughter and another one on the way At recovery meetings they say Rarely have we seen a person fail who has thoroughly followed our path That is so true According to Matthew 6:33 Seek first the kingdom of God and His righteousness and all these things will be added onto you Thank you God bless you Glenn **We Live and Cohabitate with Spirit**

Beings Donald Evans, 2022-01-14 We cohabit with another race of beings a people which the world won't acknowledge These are demons which are invisible spirit beings not made of flesh and blood which the movie industry portrays as monsters These spirit persons or demons are the highest intelligent beings far more intelligent than any earthly being with all human characteristics They were once angelic sons of Jehovah God They consisted of one third of the angelic sons They conspired against their Creator God along with their leader Lucifer who was once an angelic son of God a cherub of high ranking They all were expelled and casted out of heaven down to earth They became enemies of God and the human race They became an invisible race of beings demons or spirit persons but without bodies The once angelic sons of God and Lucifer became demons Lucifer was the first to make himself a demon and then became Satan the devil the chief of demons who now walk the earth transitioning as a real human being yet spirit cohabitating with the human race as a real person The demons the other beings are also cohabitating as spirit persons just as you and I are spirit beings with bodies However they are without bodies not of flesh and blood Demons are those wicked evil spirit persons that exist throughout the world as demon spirits Satan is the only demon who possesses transitional power to transition to a visible spirit person just as you and me and transition back to spirit This I've witnessed The other one third wicked spirit persons do not possess such power however demons possess superhuman strength and the highest intelligence of any human being Yet these spirit persons or demons remain invisible to human eyes on earth They are here to steal kill and destroy human lives by any means Therefore the entire world needs to know how to defend itself against a demonic attack an attack which can't be seen but feel and see the effect of Persons by the multitudes are under attack by demonic powers and influences without any knowledge of what's going on or any knowledge of what they are up against in the spiritual world Many do not know or recognize whether it's mentally or physically Either one is as serious as the other Also multitudes aren't aware of a spirit world The world the entire

world needs to know to be educated of demonology Children of God the world it can't be stressed strong enough the entire world it's imperative to be spiritually educated of demonology It is essential and imperative that all humans are made aware that they live and cohabitate amongst evil wicked spirit persons the invisible enemies that are here to hurt or harm all of mankind Age and gender are no exceptions

what God is doing and could do for them in their everyday life to help smooth their pathway It took me years to start seeing the full impact of how God was helping me along the way without me even being aware of it My life s journey has allowed me to become more aware and very thankful for the little everyday blessings that most people take for granted *Satan the Devil, Walks the Earth as a Human Being, a Person!* Donald Evans,2022-08-05 Satan is a man who walks and lives among us as a real person yet a spirit appearing as a real person or human being Only God can identify Satan in human form also demons those spirit persons without bodies do not possess transitional power as Satan Demons cannot materialize although they need human bodies to enter to perform their operation in the world Demons are real spirit persons with all human characteristics Demons now spirit persons articulate as well as any human being internally and externally in or out of the human body Let no one fool you even though Satan and demons are defeated foes they still possess great power of influence over the world population because of human ignorance and lack of knowledge They see and hear everything we do and speak They are with us and in your presence at this very moment spiritually or physically or both Demon spirits are assigned to us individually forever lasting including myself twenty four hours a day People I stated earlier that they are spirited persons without bodies in search of human bodies to dwell in to perform the works of the devil Once they enter human bodies only the name of Jesus Christ and prayers can cast demons out or drive them out of whom they possess These spirit persons now demons that has entered and possessed human bodies as their own are causing people to act violently committing and performing acts never before committed It can t be expressed strong enough the reality of demon spirits are observing waiting in the Earth s atmosphere for the opportunity to enter and possess human bodies to use as their own This is for the world All mankind are under their invisible attack every man woman or child Yes children of all ages are vulnerable of demon possession The spirit world does discriminate in age nor race nor people of color All are vulnerable There isn t a person dead or alive that Satan or demons those spirit persons have not gone against spiritually or physically or attempted to enter by the power of the devil into the flesh of mankind which many already has entered Multitudes have no knowledge of their possession Satan s spirit enters a person s body sitting in the presence of Jesus Christ the King of kings and Lord of lords imagine what his spirit person is doing to those that are lost in the world Believe me he isn t alone when he came to steal kill or destroy by any means In this book *Satan the Devil Walks the Earth as a Human Being* You ll discover how these spirit persons now demons perform once they enter human bodies also you ll discover how these spirit persons now demons enter human bodies even my own of nearly forty years without my knowledge they were in me Also you ll discover today more people are depressed obsessed oppressed or possessed or under some kind of demonic power of influence and control than ever before including Christians believers nonbelievers atheists agnostics Muslims and all other religions throughout the entire world *Stories From the Dance of Life Vol. 1.* Red Jordan Arobateau,2004 **Don't Pet the Dragon** C. Michael Davis,2006-12-12 This book will not save you from hell nor will it answer all of your questions about spiritual matters What it

will do if you are borderline in determining whether to believe or to reject the idea of God and Satan or of heaven and hell is to help you with the thinking process If you are already a believer hopefully this book will help you develop the study method of going to the Bible with questions This book reveals how God spoke to me through the events in my life and the people He placed around me not one soul was there by coincidence or mistake None of us were just wound up like some toy and turned loose to make it on our own although I ve felt that way at times This book is about my journey from seeing God as being about religion to knowing Him as my Father and personal Savior It is about how I moved from thinking of Satan as a religious myth to realizing just how real evil and active he is in our lives and the lives of those around us Believe me evil is not just a plot in a Steven King movie it is permeating our society more and more as society turns its back on God drifting into the secular snare of the dragon Think about what is considered comedy or what is now considered acceptable for small children in the form of cartoons Pay attention to the suggestiveness of commercials on television and in magazines Be more sensitive to the process used to make you believe that being acting and dressing dumb is cool Do you no longer wonder about what happened to the high standards that made this nation looked up to How are we viewed today Our flag is burned and hung upside down within our own borders
