

COURT DEMEANOR AND TESTIMONY

BY: ATTY. JUVI H. GAYATAO

Testimony And Demeanor

California (State).

Testimony And Demeanor:

Testimony and Demeanor John Casey, 2005-12-13 A young intellectual is called into active duty and receives a rude awakening to the realities of military service An Ivy League graduate is pressed casually into Intelligence work and encounters himself mirrored in his new found friend a Russian spy An arrogant professor finds himself unable to resist the unschooled energy of a spunky female student A lonely apprentice at a New York law firm is flattered by the attentions of two mentors one a senior partner the other an enchantingly extravagant woman whose sophistication make his own naivety painfully apparent Each story in this luminous quartet explores an emotional turning point either toward or away from self knowledge that moment when a young man of privilege suddenly finds his carefully nurtured superiority crumbling In Casey's beautiful prose the experiences of these solitary narrators resonate with remarkable power

Decisions and Orders of the National Labor Relations Board, 2009-09-02 Includes the decisions and orders of the Board a table of cases and a cross reference index from the advance sheet numbers to the volume page numbers

The Lost Girls: A Re-Examination Pasquale De Marco, 2025-08-11 In June 1954 Pauline Parker and Juliet Hulme two New Zealand teenagers murdered Pauline's mother The murder shocked the nation and made headlines around the world The girls were eventually convicted of murder and sentenced to life in prison The Parker Hulme case has been the subject of numerous books articles and films over the years However most of these accounts have focused on the sensational aspects of the crime such as the girls lesbian relationship and their alleged insanity This book takes a different approach to the Parker Hulme case It examines the social and cultural factors that contributed to the murder and it explores the girls lives before during and after the crime The book also examines the legal and ethical issues raised by the case and it discusses the case's continued relevance today The Lost Girls argues that the Parker Hulme case was not simply a case of two evil or insane girls It was a product of its time and place and it reflected the social and cultural attitudes of the 1950s The book also explores the ways in which the case has been used to perpetuate stereotypes about homosexuality mental illness and women The Lost Girls is a comprehensive and nuanced examination of one of the most notorious crimes of the 20th century It offers new insights into the case and challenges the traditional narratives that have surrounded it for decades This book is essential reading for anyone interested in the Parker Hulme case true crime or the history of sexuality and gender If you like this book write a review
