Buenger,2010-06-28 The forces that turned Northeast Texas from a poverty stricken region into a more economically prosperous area Winner Texas State Historical Association Coral H Tullis Memorial Award for best book on Texas history 2001 Federal New Deal programs of the 1930s and World War II are often credited for transforming the South including Texas from a poverty stricken region mired in Confederate mythology into a more modern and economically prosperous part of the United States By contrast this history of Northeast Texas one of the most culturally southern areas of the state offers persuasive evidence that political economic

and social modernization began long before the 1930s and prepared Texans to take advantage of the opportunities presented by the New Deal and World War II Walter L Buenger draws on extensive primary research to tell the story of change in Northeast Texas from 1887 to 1930 Moving beyond previous more narrowly focused studies of the South he traces and interconnects the significant changes that occurred in politics race relations business and the economy and women s roles He also reveals how altered memories of the past and the emergence of a stronger identification with Texas history affected all facets of life in Northeast Texas *Nic Nicosia* Nic Nicosia,Philipp Meyer,Sue Graze,2012-10-15 Photographer and filmmaker Nic Nicosia makes pictures Since the late 1970s Nicosia has staged and constructed sets objects and situations to be photographed rather than to reproduce something that already exists These conceptual fabrications have ranged from elaborate sets with live actors to dioramas and abstract constructions Whether his pictures contain a disturbing suburban narrative or are fabricated by the act of drawing or are simply created by the use of common objects with dramatic lighting the familiar thread of Nicosia s unique vision and sensibility is always present Nic Nicosia is the first major publication of the artist s work and covers his entire oeuvre through 2011 The catalog presents images from all of Nicosia s major photographic series including Domestic Dramas Near modern Disasters The Cast Life as We Know It Real Pictures Love Lust Acts Sex Acts Untitled Landscapes 365 SaFe Days Untitled drawing Space Time Light I See Light and in the absence of others as well as stills from the videos Middletown Moving Picture Middletown Morning Cerchi E Quadratti On Acting America and 9 1 2 Hours to SaFe Accompanying the catalog is an overview of Nicosia s career by Michelle White an interview with the artist by Sue Graze and an original short story by Philipp Meyer that powerfully resonates with the sense of wonder and menace in Nicosia s art **Teacher's Guide to Aviation Education Resources** ,1985 **Catalog of Copyright Entries** ,1928
