Texas Highway Humor:

Texas Highway Humor Wallace O. Chariton, 1991-12-30 In the beginning it was happy trails Then someone invented the horseless carriage and things haven't been the same since As ribbons of concrete spread over the horse trails so did the fun and frustration This book explores some of that highway fun both past and present Included are unique pictures of strange vehicles early gas stations convenience stores the evolution of the stop light unusual roadside signs the Texas billboard hall of fame strange things seen when driving and much much more Also included are vignettes about famous and not so famous Texas highway incidents making the book as much an adventure as driving the highways only much safer *A Treasury of Texas humor* Bill Cannon, 2003-09-16 Author Bill Cannon has been collecting jokes and humorous stories about the antics of fellow Texans for literally years Once he began this book people started sending him their own special favorites This delightfully funny book covers every facet of Texas humor from life on the range to church politics Texas women history and hysterics And it's a book your kids can read

Police Humor Oliver Gaspirtz, 2014-07-14 The lighter side of law enforcement comics for cops and weird news about stupid criminals This book is a tribute to all the hard working men and women in law enforcement who risk their lives every day for an often less than grateful public The cartoons capture the human side of police officers and find humor in the often very stressful situations they deal with As George Bernard Shaw said Life does not cease to be funny when someone dies anymore than it ceases to be serious when someone laughs Policing is a serious job and at some point you've got to lighten up If you're serious all the time you'll go crazy in this job Cops love humor Darlene Hutchinson Hunter editor of *The Police Marksman* The great salve for the soul humor has always been used by cops as a counterweight to the high stress demands and seriousness of the job Dennis Hall editor of *Police* magazine In the rigid and structured world of law enforcement it's refreshing to see illustrations that capture the human side of police officers while making us smile Gaspirtz cartoons are always objects of joy and entertainment around the office Cisco Mendoza art director of *Texas Highway Patrol* magazine Gaspirtz's cartoons are very humorous and down to earth They reflect the real life of police officers and what they have to face every day but in a funny stress relieving way David J Armitage editor of *The Police Shield* California Highway Patrol officers always take their duties seriously but Gaspirtz's cartoons allow them the room to take themselves a little lighter Carol Perri editor of *The California Highway Patrolman*
