*Evidence of Hope* Paul G. Johnson, 2008-01-01 Social issues shape the news Yet pulpit and pews maintain an awkward silence about them One layperson said I have been a member here for twenty five years but I have no idea what any member thinks about any social issue Op ed pages and sound bites cause people to wonder if friends are red or blue on social issues but in this book content dips below the surface where the water is a bipartisan calm Here is one example for genuine competition to occur the sides have to be fairly even We do this in sports Another example question is why is health care so high when the healing is free Hope is implicit in Thy kingdom come on earth recited by many churchgoers on a weekly basis as part of the Lord's Prayer Hope becomes explicit when practical

theology and applied sociology are joined because they point to the same Source the hidden pressure for justice and peace at work in the world This Source allows grace and truth to be discovered in social issues Indeed the grace of God generates compassion a prerequisite for multifaceted social justice Wrath has no capacity to foster anything but fear of being left behind There are single issue books of three hundred plus pages but there are no books that speak to a variety of social issues This one does speak to a variety of social issues with clarity readability and economy

**When Texas Prison Scams Religion** Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

**Muslims and Islam in U.S. Education** Liz Jackson, 2014-04-03 Winner of Philosophy of Education Society of Australasia PESA's inaugural PESA Book Awards in 2015 and The University of Hong Kong Research Output Prize for Education 2014 15 Muslims and Islam in U S Education explores the complex interface that exists between U S school curriculum teaching practice about religion in public schools societal and teacher attitudes toward Islam and Muslims and multiculturalism as a framework for meeting the needs of minority group students It presents multiculturalism as a concept that needs to be rethought and reformulated in the interest of creating a more democratic inclusive and informed society Islam is an under considered religion in American education due in part to the fact that Muslims represent a very small minority of the population today less than 1% However this group faces a crucial challenge of representation in United States society as a whole as well as in its schools Muslims in the United States are impacted by ignorance that news and opinion polls have demonstrated is widespread among the public

in the last few decades U S citizens who do not have a balanced fair and accurate view of Islam can make a variety of decisions in the voting booth in job hiring and within their small scale but important personal networks and spheres of influence that make a very negative impact on Muslims in the United States This book presents new information that has implications for curricula religious education and multicultural education today examining the unique case of Islam in U S education over the last 20 years Chapters include Perspectives on Multicultural Education 9 11 the Media and the New Need to Know Islam and Muslims in Public Schools Blazing a Path for Intercultural Education This book is an essential resource for professors researchers and teachers of social studies particularly those involved with multicultural issues critical and sociocultural analysis of education and schools as well as interdisciplinary scholars and students in anthropology and education
