Closing the Circle Judy Giudice Tull, 2024-01-08 My grandparents had come to America from hard times of starvation and despair. Because of widespread poverty, thousands of Italians and Sicilians were emigrating from their homeland in the early 1900s. Certainly things must have been dark in Sicily in 1910 when my grandfather was only seventeen. How did he determine at such a young age that he had to make it to America on the boat and alone? That is just one of the questions I wanted answered. Even with a sense of regret that there would be no answers to find, I viewed the opportunity to go to Italy and walk on Italian soil with Dad as a closure of sorts to the mystery of my heritage that I was sure I would never solve. With these thoughts, Judy Giudice Tull begins an adventure into her past. Like many modern day genealogy seekers, she is willing to investigate any resource she can uncover. She is a never say die sensitive person whose love for family is a constant driving force. She writes beautifully about family love throughout her search for something, anything to uncover her family history from the old country. The reader will enjoy visiting famous sites and tasting new cuisines as detective work ensues. You will participate firsthand in suspense of her characters' hopes, surprises, disappointments, and rewards as she takes you on an unexpected journey of love, an adventure.
