Texas Time Capsule:

Time Capsules William E. Jarvis, 2015-10-05 Time capsules have been used for thousands of years to store for posterity a selection of objects thought to be representative of life at a particular time. Such vessels have the dual purpose of causing participants to ponder their own cultural era and think about those to come. This work is a cultural history of five thousand years of time capsules and other related time information transfer experiences. It examines both the formal and the popular culture aspects of the time capsule from its roots in ancient Mesopotamian and Egyptian building foundation deposits to the present utilization of spacecraft probes and other extreme locations. The deposits of 3000 BCE deliberately had no definite date and time to be opened. In 1876 CE came the idea of target dated deposits. Also discussed are how real time capsules work, notional and archaeological time capsules, the height of the time capsule's popularity from 1935 to 1982, the preservation of writings in time capsules, keeping time in a perpetual futurescape, and the turn of the century hype surrounding millennium time capsules. Administration, 1977 **Historic Hotels of Texas** Liz Carmack, 2007-10-25 From rural towns to mid size cities to urban metropolises and in every region of the state more than sixty historic hotels welcome overnight lodgers in Texas. After traveling at least 20,000 miles to visit these unique accommodations first hand, author Liz Carmack has written the essential guide for anyone looking for out of the ordinary lodging or travel destinations. *Historic Hotels of Texas* includes detailed profiles of sixty-four hotels that are at least fifty years old, have been in operation as places of lodging for the majority of their existence, and are still open today. Ranging from stagecoach inns and railroad hotels to resort and community built lodging, some facilities have retained the flavor of their origins, others have become sleek commercial establishments, or have been transformed into trendy boutique locations. Anticipating the diverse interests of travelers, Carmack offers advice in her introduction to help readers choose hotels according to taste and occasion. Whether you're looking for a romantic getaway, booking a fishing trip, planning a ghost hunting excursion, or going on a cycling tour, *Historic Hotels of Texas* offers the perfect lodging option to complement your interests. In her description for each hotel, Carmack includes fascinating historical nuggets and focuses on special characteristics that create the unique ambience so often found in these living tributes to the past. An Essentials sidebar includes contacts for reservations, room rates, payment methods, parking, and pet accommodations, as well as details about amenities and facilities. The author notes the hotel's historic registration status and also offers a tip or two from her experiences. Together, the information summaries and insider tips give readers the details they need to choose the hotels that best suit their tastes and to make the most of their visits. *Historic Hotels of Texas* is indispensable for travelers interested in both a good night's sleep and the culture and history of the great state of Texas. **Comprehensive Calendar of Bicentennial Events** American Revolution Bicentennial Administration, 1975 **Modern Polygamy in the United States** Cardell Jacobson, Lara Burton, 2011-03-09 Few people realize that polygamy continues to exist in the United
