"Here" Jerry C. Cooper,2018-04-12 What began in the 1880s when former students gathered to live over again their college days became in the 1940s the sacred tradition of current and former students congregating to read aloud a roll call honoring deceased Aggies This tradition is Muster an enshrined and enduring legacy of Texas A M University and a solemn symbol of togetherness as evidenced by the more than 300 Musters held in locations

worldwide every April 21 Muster is how the Aggie Spirit comprising every Aggie who has ever lived is remembered and celebrated In Here The Muster Speeches at Texas A M University Jerry Cullum Cooper presents the 72 keynote addresses delivered on the university s campus in College Station to date The restoration of these speeches proved challenging as many were hidden in archives and newspaper fragments and others on phonograph recordings Within these speeches are the commanding voices of military heroes such as Dwight D Eisenhower and James Earl Rudder and the stirring words of political leaders including former Texas governor Allan Shivers and Aggie trailblazers like Frederick D McClure the university s first African American student body president Together these voices represent the Aggie Spirit giving us historical snapshots and perspectives of the university the state and the country spanning two centuries Most importantly they continue a hallowed tradition that honors those who have gone before and inspires those who remain Whether a reference for future speechwriters or a unique look into university history Here The Muster Speeches at Texas A M University is a celebrated and necessary addition to every Aggie collection Footsteps Jerry C. Cooper, Henry C. Dethloff, 1991 Thousands of Aggies have walked the campus of Texas A M since the late 1800s when it was just a few buildings on a brier tangled field Since those days the campus has grown new buildings have risen to supersede or stand beside the old new disciplines have been added to agriculture and mechanics and A M has become a university of international stature Despite expansion the campus still invites exploration of its buildings and byways its oak shaded walks and echoing halls its history With this readable easy to carry guidebook anyone can follow in the footsteps of those past generations of Aggies and take one tour or all five tours of the various sections of campus If a trip to the College Station campus is not on your calendar you can still follow the tour at home There is a route map for each of the tours and every building or building complex is a stop on the tour with information and anecdotes provided by your guide For old Ags Footsteps will amount to a pleasant homecoming and the opportunity to see not only familiar sights but also their alma mater s impressive growth and progress Numerous photographs of the buildings are included and images of A M at its most colorful are represented in an eight page color section The photographic coverage as well as little known facts and the origins of unique Aggie traditions will orient newcomers to campus and help to infuse a new generation with the renowned Aggie spirit
