## Texas Lily:

**Texas Lily** Elizabeth Fackler, 2016-03-08 Lily Cassidy's childhood happiness is shattered when her father is murdered by political opponents. Powerless to act against her father's killer, she consents to a loveless marriage with Emmett Moss in exchange for his promise of vengeance. What follows this bitter deal leaves Lily standing on her own as the matriarch of a legend. When Emmett's niece arrives at his ranch, the lady-like Claire presents a cool contrast to tomboy Lily. Known for her common sense more than her beauty, Lily forges a friendship with the delicate Claire that outlasts everything in their lives except the land itself. Set in New Mexico Territory in the 1870s, Texas Lily is the story of Lily's courage and fortitude to save her family, Claire's love of an outlaw that sends her into and out of madness, and the profoundly intertwined fates of their offspring.

Does she have a compelling reason to remain in Boston? Riverwood is a thriving equestrian community, a great success for The Westlake Group, but what's next? Their experiences reveal the diverse ways these women navigate barriers in cultural attitudes, access to resources, and work-life balance. No Lambs No Sheep B. J. Hunter, 2007-10

No Lambs No Sheep is the memoir of Dr. Benjamin J. Hunter. It was written as a result of his 50-year tenure in the ministry while serving as pastor of the same church for forty-five years. In this discourse, the author describes the mystique of his own spiritual motivation and its impact upon his human frailties. He details the challenge of remaining fresh and viable to the same congregation over an extended period of time. With incredible honesty and courage, the writer reveals intimate details about some of his personal life experiences encountered on his Christian journey. Also, he speaks with clarity concerning the adversities in the life of a preacher and shares a short compilation of his own sermons with the readers. This untold story is historically significant because it addresses many ethnic issues that span more than seven decades in Texas. Its unique composite of wit, humor, and drama
