Texas Passion A Heartline Romance:

Street Players Kinohi Nishikawa, 2019-01-11 The uncontested center of the black pulp fiction universe for more than four decades was the Los Angeles publisher Holloway House From the late 1960s until it closed in 2008 Holloway House specialized in cheap paperbacks with page turning narratives featuring black protagonists in crime stories conspiracy thrillers prison novels and Westerns From Iceberg Slim's Pimp to Donald Goines's Never Die Alone the thread that tied all of these books together and made them distinct from the majority of American pulp was an unfailing veneration of black masculinity Zeroing in on Holloway House Street Players explores how this world of black pulp fiction was produced received and recreated over time and across different communities of readers Kinohi Nishikawa contends that black pulp fiction was built on white readers fears of the feminization of society and the appeal of black masculinity as a way to counter it In essence it was the original form of blaxploitation a strategy of mass marketing race to suit the reactionary fantasies of a white audience But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature from 1973 onward Holloway House moved away from publishing sleaze for a white audience to publishing solely for black readers The standard account of this literary phenomenon is based almost entirely on where this literature ended up in the hands of black male working class readers When it closed Holloway House was synonymous with genre fiction written by black authors for black readers a field of cultural production that Nishikawa terms the black literary underground But as Street Players demonstrates this cultural authenticity had to be created promoted and in some cases made up and there is a story of exploitation at the heart of black pulp fiction s origins that cannot be ignored **Delta Crossing** Joseph Nazel, 1984 He was a college professor on a field trip to do research on blues music What could be more innocent Then why had he been kidnapped and driven into the swamps Why had those men back there tried to kill him Then he heard it Sunday night music from an old country church He would be safe there safe from whatever sort of madness was chasing him back there in the woods How was he to know that in the Deep Delta country venomous deceit and monstrous evil is sometimes masked by the smiling face that calls you brother Back cover Fiction Writer's Market, 1984-1985 Jean Fredette, 1984-04 New York Magazine ,1983-05-30 New York magazine was born in 1968 after a **Passions** Rosanne Bittner, 2019-09-30 run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **David Lynch** Greg Olson, 2008-09-29 For nearly 40 years David Lynch s works have enthralled mystified and provoked viewers Lynch s films delve into the subjective consciousness of his characters to reveal both the depraved darkness and luminous spirituality of human nature From his experimental shorts of the 1960s to feature films like Eraserhead The Elephant Man Blue Velvet Mulholland Drive and INLAND EMPIRE Lynch has

pushed the boundaries of cinematic storytelling In David Lynch Beautiful Dark author Greg Olson explores the surreal intricacies of the director's unique visual and visceral style not only in his full length films but also his early forays into painting and short films as well as his television landmark Twin Peaks This in depth exploration is the first full length work to analyze the intimate symbiosis between Lynch's life experience and artistic expressions from the small town child to the teenage painter to the 60 year old Internet and digital media experimenter To fully delineate the director's life and art Olson received unprecedented participation from Lynch his parents siblings old school friends romantic partners children and decades of professional colleagues as well as on set access to the director during the production of Twin Peaks Fire Walk with Me Throughout this study Olson provides thorough analyses of the filmmaker s works as Lynch conceived crafted and completed them Consequently David Lynch Beautiful Dark is the definitive study of one of the most influential and idiosyncratic directors of the last four decades Film Year Book ,1922 The American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1971 v A Film Beginnings 1893 1910 Film beginnings indexes 1893 1910 Alphabetic catalog of films including summary notes alternate titles locations and source Be My Texas Valentine Jodi Thomas, Linda Broday, Phyliss Miranda, DeWanna Pace, 2011-10-24 In Texas citations Valentine's Day is for restless hearts brave second chances and passions rekindled New York Times bestselling author Jodi Thomas Linda Broday Phyliss Miranda and DeWanna Pace tempt you with four delicious treats Out on these rugged plains love never comes easy And four daring ladies will do whatever it takes to capture the hearts of four irresistibly sweet talking Texans When a guiet foreman comes to the aid of a mystery lady they ll find that this perfect starlit night is made for courtin A determined heiress gambles high to reclaim the rancher she's never stopped wanting When a spirited lady and a go getter mayor compete for their town s future it s two dreams for a lifetime And to attract a lonely doctor s attention a shy young woman needs courage and two unlikely matchmakers A sweet sunny anthology perfect for rainy day reading Publishers Weekly on Give Me a Texas Outlaw Readers couldn t ask for a finer quartet of heroes Romantic Times on Give Me a Texas Ranger Will warm your heart and bring a smile to your lips Love Western Romances on Give Me a Cowboy **Texas Passion** Sara Orwig, 2015-04-26 While hunting a killer a man Lover's Magazine ,1960 Film Year Book ,1933 meets a fierce beauty determined to protect her fugitive family in a novel by the talented USA Today bestselling author Rendezvous Rachel Kearney expected a heartfelt reunion when her father returned home from the War Between the States but instead she was greeted by a man on the run from the law Now Rachel and her family must flee leaving behind the only home they ve ever known Dan Overton is pursuing an elusive killer when he stumbles upon the spirited beauty who calls herself the Widow Kearney From the moment he sees her he knows he will do anything in his power to protect her and her brood from the dangers of the rugged post war frontier But something more than a shared passion connects them and it may be the very thing that tears them apart The Film Daily Year Book of Motion Pictures ,1933 **Beneath the Texas**
