chapters survey of the field of Christian ethics before focusing on specific issues Eighteen chapters confront all of the issues faced by believers today including a discussion of racial issues that goes beyond black and white business ethics on this side of Enron and war and international relations in light of today's headlines Introduction to Christian Ethics Roger H Crook, 2015-10-02 This book is a college level introductory textbook in Christian ethics It introduces the field of ethics and a variety of approaches to its study The book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues Christian Ethics; Or, The True Moral Manhood and Life of Duty D.
