Y Pai

Sisters And Solidarity Women And Unions In Canada:

Sisters and Solidarity Julie White, 1993 *Sisters Solidarity* provides a clear and well researched overview of the position of women in relation to the labour movement across Canada After surveying the development of the labour movement at the turn of the century the author traces the increasing influence of women members in the Canadian labour movement *Sisters Solidarity* considers not only what unions have negotiated with employers but the position of women inside the union movement itself Based on interviews with unions and labour centrals across the country Julie White examines the representation of women in union executives committees conventions and staff She describes the development of women s committees and examines the responses of unions to demands for change concerning family responsibilities harassment and union education Using new data the author analyzes who are the unorganized where they work and why it is difficult to organize them Three case studies examine the attempts to unionize homeworkers and cleaners and new labour relations legislation in Ontario *Sisters Solidarity* also considers the position of racial minorities disabled persons and gays and lesbians in the Canadian union movement and the steps unions and labour centrals have taken to meet the needs of these workers

Union Women Mary Margaret Fonow, 2003 For more than a quarter century steel mills in the United States and Canada have produced more than metal they have produced a new kind of worker and union activist Women of Steel In an era labeled postfeminist and postindustrial women have created spaces in this quintessentially male dominated workforce from which to mobilize for their rights as women and workers In *Union Women* Mary Margaret Fonow captures the stories of the women of the United Steelworkers She focuses on a tenacious group who used their developing power in the union to challenge sex discrimination and to advocate for women s rights and applied their transnational resources to construct a feminist response to globalization and economic restructuring In the process they have transformed the organizations resources and networks of both the labor and women s movements and have in turn transformed themselves into feminists In *Union Women* Fonow uses statistical archival and ethnographic research methods to provide a broad historical account of women in the steel industry Fonow s sweeping approach allows her to examine several key issues in social movement feminist and political theory and to show that insights from these fields shape each other She explores how social movements are gendered how working class women develop a feminist consciousness and how this process is informed by intersecting demands of race class and gender As a comparative cross national study *Union Women* also demonstrates how different political and social cultures affect women s organizing and strategic decisions Finally Fonow emphasizes that economic restructuring and globalization pose immediate challenges for women as laborers and activists and that in order to survive all unions must develop organizing and mobilization strategies informed by feminism and other social movements

Feminisms and Womanisms Althea Prince, Susan Silva-Wayne, 2004 *Feminisms and Womanisms* brings together theory and practical application so that feminist discourse interacts as a partner with the lived experience of women s social action

The selections combine classics in feminist thought with work from modern theorists and offer a solid foundation in international feminism. The conceptual understanding embedded in the terms feminism and womanism contributes to feminist discourse a carefully differentiated focus on the ideological uses of language to define relationships that have been historically mired in domination. The terms also define the way gender often has been used to signify and support domination. Given that feminism and womanism are interpretive concepts there is always a sense that knowledge making is in progress for there is nothing static or stagnant about feminism, feminist theory and feminist action. The formative nature of the feminist movement has of necessity a parallel interpretive theory. This reader embraces both the formative nature of the movement and the accompanying interpretive theories. It also pays attention to the chronological, cultural, geopolitical, racial and ethnic landscapes and sites where women live, carry out social action and theorize issues of equality. For both the general and academic reader, this book will be edifying while providing exposure to the feminist, womanist voices that inform the scholarship.

Women's Organizing and Public Policy in Canada and Sweden Linda Briskin, Mona Eliasson, 1999-10-25
Women's Organizing and Public Policy in Canada and Sweden highlights the impact of women's organizing on the framing and implementing of public policy, the reconstituting of discourse and the practices of unions, political parties and the state. It examines the strategies women have used to organize themselves as a vocal and politicized constituency. In so doing, it stretches definitions of organizing and of political practice, politicizes the social and the private and expands conceptions of agency. Comparing Sweden and Canada allows the mechanisms at work in each society to emerge more clearly, challenging what is often taken for granted. Contributors include Christina Bergqvist, Uppsala, Sweden; Linda Briskin, Barbara Cameron, York, Canada; Marianne Carlsson, Uppsala, Sweden; Rebecca Priegert Coulter, University of Western Ontario, Canada; Mona Eliasson, Georgina Feldberg, York, Canada; Sue Findlay, private scholar, Canada; Lena Gon's, National Institute for Working Life, Sweden; Wuokko Knoke, National Institute for Working Life, Sweden; Catharina Landström, Linköping, Sweden; Colleen Lundy, Carleton, Canada; Rianne Mahon, Carleton, Canada; Chantal Maill, Concordia, Canada; Roxana Ng, Ontario Institute for Studies in Education, Canada; Becki Ross, University of British Columbia, Canada; Lena Wängnerud, Göteborg, Sweden; and Inga Wernersson, Göteborg, Sweden.

Equity, Diversity, and Canadian Labour David Morton Rayside, Gerald Hunt, 2007-01-01
The Canadian labour movement has undergone several fundamental changes in response to demands for greater inclusion and representation by women, visible and sexual minorities and people with disabilities. Equity, Diversity and Canadian Labour explores the specific challenges put to outmoded conceptions of labour, charting the effort made towards establishing a more inclusive vision of labour in Canada. The study concludes that the Canadian labour movement has seen a fair amount of progress in this regard, though it still faces persistent impediments to equity and suffers from an uneven responsiveness within and across diversity issues. This collection of original essays brings together contributors from a variety of backgrounds: women's studies, political science, sociology, industrial relations and the labour movement itself. They provide

detailed analyses of significant changes in union policies practices and cultures as viewed through different disciplinary lenses With reference to gender race disability and sexuality the volume assesses the status of labour diversity in Canada and suggests what still needs to be done to advance the equity project An engaging look at the labour movement in Canada and elsewhere Equity Diversity and Canadian Labour will appeal to students practitioners and anyone interested in equity issues and minority rights *Canadian Women's Issues* Pierson, Ruth Roach, Cohen, Marjorie Griffin, 1993 Preface

Gender, Diversity and Trade Unions Fiona Colgan, Sue Ledwith, 2003-09-02 The pressures of globalization and diversity are increasingly requiring organizations to rethink their priorities and methods In this collection leading researchers examine the debates and developments on gender diversity and democracy in trade unions in eleven countries Offering an authoritative basis for comparative analysis this book is essential reading for researchers teachers trade unionists and students of industrial relations and equal opportunities along with all those concerned with ensuring that modern organizations reflect and represent the needs and concerns of a diverse workforce **Repenser Les Institutions**

Pour Le Travail Et L'emploi Canadian Industrial Relations Association. Meeting, Gregor Murray, 2002 *Precarious Employment* Leah F. Vosko, 2006 Precarious Employment explores the nature and dynamics of precarious employment in contemporary Canada Realities of Canadian Nursing, 2013-03-01 This gold standard Canadian text prepares and inspires nursing students to become engaged with and respond to the latest and most vital professional legal ethical political social economic and environmental issues affecting Canadian nurses The chapters by the most influential scholars throughout Canada explore a broad range of current issues including but not limited to the Canadian health care system the nursing shortage professional organizations nursing research nursing education workplace realities and societal challenges such as nursing in First Nations communities As a unique emphasis the authors fundamentally believe students who understand nursing issues are in the best position to make significant contributions to their resolution In that vein the authors critically analyze the tensions and contradictions that exist between nurses legislated authority to self regulate and the changing nature and realities of nurses work while inspiring more nurses to influence decision making in professional associations collective bargaining units government and workplace Realities of Canadian Nursing Professional Practice and Power Issues by Marjorie McIntyre and Elizabeth Thomlinson does more than provide an outline of nursing issues This gold standard Canadian text prepares and inspires nursing students to become engaged with and respond to the latest and most vital professional legal ethical political social economic and environmental issues affecting Canadian nurses The chapters influenced by the most influential scholars throughout Canada explore a broad range of current issues including but not

limited to the Canadian health care system the nursing shortage professional organizations nursing research nursing education workplace realities and societal challenges such as nursing in First Nations communities As a unique emphasis the authors fundamentally believe students who understand nursing issues are in the best position to make significant contributions to their resolution In that vein the authors critically analyze the tensions and contradictions that exist between nurses legislated authority to self regulate and the changing nature and realities of nurses work while inspiring more nurses to influence decision making in professional associations collective bargaining units government and workplace This successful text includes the latest and most vital professional legal ethical political social economic and environmental issues affecting Canadian nurses Chapters by the most influential leaders in Canadian nursing explore a broad range of current issues including the Canadian health care system the nursing shortage professional organizations nursing research nursing education workplace realities and societal challenges such as nursing in First Nations communities Emphasis is on the process of articulating issues and devising strategies for resolution

The Canadian Labour Movement: A Short History Craig Heron,1996 The Canadian Labour Movement is a fascinating story that brings to life the working men and women who built Canada s unions This concise history recounts the story of Canadian labour from the nineteenth century to the present day First published in 1989 it has been updated to include new developments in the world of labour up to 1995 Heron depicts the major events and trends in labour s history and assesses the current state and direction of the labour movement The Canadian Labour Movement is a masterful overview of the subject providing a broad and accessible introduction to Canadian labour

Temporary Work Leah F. Vosko,2000-01-01 It explores how and to what extent temporary work is becoming the norm for a diverse group of workers in the labour market taking gender as the central lens of analysis

Critical to Care Pat Armstrong,Hugh Armstrong,Krista Scott-Dixon,2008-01-01 Who counts as a health care worker The question of where we draw the line between health care workers and non health care workers is not merely a matter of academic nicety or a debate without consequences for care It is a central issue for policy development because the definition often results in a division among workers in ways that undermine care Critical to Care uses a wide range of evidence to reveal the contributions that those who provide personal care who cook clean keep records and do laundry make to health services As a result of current reforms these workers are increasingly treated as peripheral even though the research on what determines health demonstrates that their work is essential The authors stress the invisibility and undervaluing of women s work as well as the importance of context in understanding how this work is defined and treated Through a gendered analysis Critical to Care establishes a basis for discussing research policy and other actions in relation to the work of thousands of marginalized women and men every day

Cracked Joan M. Roberts,2015-12-19 2015 Ontario Historical Society Alison Prentice Award Winner 2016 Heritage Toronto Book Award Nominated The story of the Bell Canada union drive and the phone operator strike that brought sweeping reform to women s workplace rights In the 1970s Bell Canada was Canada s largest corporation

It employed thousands of people including a large number of women who worked as operators and endured very poor pay and working conditions Joan Roberts a former operator tells the story of how she and a group of dedicated labour organizers helped to initiate a campaign to unionize Bell Canada s operators From the point of view of the workers and the organizers Roberts tells an important story in Canada s labour history The unionization of Bell Canada s operators was a huge victory for Canada s working women The victory at Bell established new standards for women in other so called pink collar jobs

Harnessing Labour Confrontation Peter Stuart McInnis,2002-01-01 A formative moment in Canadian history the 1940s left as a legacy not only the welfare state but also the legal framework that has defined organized labour for five decades BOOK JACKET **From Left to Right** Brian T. Thorn,2016-07-22 In From Left to Right Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s Although women in these decades are often depicted as being trapped in the suburbs caring for children baking pies and leaving politics to men they joined diverse political parties including the Social Credit Party the Co operative Commonwealth Federation and the Communist Party of Canada Thorn argues controversially that while women on the left and right had different goals their activism continued to be informed by maternalism They used their roles as wives and mothers to influence their parties positions on war and unions to break down barriers between the private and public spheres and to push for a new world order Along the way they laid the foundations for the 1960s feminist movement **International and Comparative Employment Relations** Greg J. Bamber,Russell D Lansbury,Nick Wailes,2004-03-27 Earlier editions of this text have become the standard reference for a worldwide readership of practitioners in governments companies and unions and students This revised edition analyzes employment relations in the UK USA Canada Australia Italy France Germany Sweden Japan and Korea *Working Women in Canada* Leslie Nichols,2019-08-23 In this edited collection Leslie Nichols weaves together the contributions of accomplished and diverse scholars to offer an expansive and critical analysis of women s work in Canada Students will use an intersectional approach to explore issues of gender class race immigrant status disability sexual orientation Indigeneity age and ethnicity in relation to employment Drawing from case studies and extensive research the text s eighteen chapters consider Canadian industries across a broad spectrum including political academic sport sex trade retail and entrepreneurial work Working Women in Canada is a relevant and in depth look into the past present and future of women s responsibilities and professions in Canada Undergraduate and graduate students in gender studies labour studies and sociology courses will benefit from this thorough and intersectional approach to the study of women s labour Burlesque West Becki Ross,2009-07-25 After the Second World War Vancouver emerged as a hotbed of striptease talent In Burlesque West the first critical history of this notorious striptease scene Becki Ross delves into the erotic entertainment industry at the northern end of the dancers west coast tour the North South route from Los Angeles to Vancouver that provided rotating work for dancers and variety for club clientele Drawing on extensive archival materials and fifty first person accounts of former dancers strip

club owners booking agents choreographers and musicians Ross reveals stories that are deeply flavoured with an era before striptease fell from grace because the world stopped dreaming in the words of ex dancer Lindalee Tracey Though jobs in this particular industry are often perceived as having little in common with other sorts of work retired dancers accounts resonate surprisingly with those of contemporary service workers including perceptions of unionization and workplace benefits and hazards Ross also traces the sanitization and subsequent integration of striptease style and neo burlesque trends into mass culture examining continuity and change to ultimately demonstrate that Vancouver s glitzy nightclub scene often condemned as a quasi legal strain of urban blight in fact greased the economic engine of the post war city Provocative and challenging Burlesque West combines the economic the social the sexual and the personal and is sure to intellectually tantalize Social Reproduction Meg Luxton, Kate Bezanson, 2006 Using a feminist political economy approach contributors document the impact of current socio economic policies on states markets households and communities Relying on impressive empirical research they argue that women bear the costs of and responsibility for care giving and show that the theoretical framework provided by feminist analyses of social reproduction not only corrects the gender blindness of most economic theories but suggests an alternative that places care giving at its centre In this illuminating study they challenge feminist scholars to re engage with materialism and political economy to engage with feminism

Sisters And Solidarity Women And Unions In Canada Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sisters And Solidarity Women And Unions In Canada has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sisters And Solidarity Women And Unions In Canada has opened up a world of possibilities. Downloading Sisters And Solidarity Women And Unions In Canada provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sisters And Solidarity Women And Unions In Canada has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sisters And Solidarity Women And Unions In Canada. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sisters And Solidarity Women And Unions In Canada. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sisters And Solidarity Women And Unions In Canada, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sisters And Solidarity Women And Unions In Canada has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sisters And Solidarity Women And Unions In Canada Books

What is a Sisters And Solidarity Women And Unions In Canada PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sisters And Solidarity Women And Unions In Canada PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sisters And Solidarity Women And Unions In Canada PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sisters And Solidarity Women And Unions In Canada PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sisters And Solidarity Women And Unions In Canada PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors

like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
