Skate Like The Wind:

Skate Like the Wind Joan E. Ford, Ruhl, Greg, 1983-01-01 *Crossing the Line* Lynn Rush, Kelly Anne Blount, 2022-09-05

A patch of black ice is all it takes for Ryan Preach Armstrong's perfectly planned future to skid out of control. The car crash shatters his hockey dreams and injures Woodhaven's newest student Grace Milner. As much as this feisty track phenom gets under Preach's skin in all the best and worst ways she might just be his path to redemption. Grace can't believe that all it took was seriously bad timing and a hot but prickly hockey player to threaten her lifelong dream of joining the Air Force. Now instead of prepping for the track season and upcoming start of basic training she has to complete community service with the absolute last person she would ever want to be stuck with: the guy who shattered her future. When two fierce competitors collide, this hard-fought only result is heartbreak or an epic victory as they cross the finish line together. *Ice Angels* Charles Edward Harris, 2007-09-01

A fantasy adventure for children of every age. Toby is a boy who dreams of becoming a graceful and stylish ice skater, but he is held back by a physical disability. He is progressing well until he is cruelly struck down by a drunk driver days before Christmas; only a miracle can change Toby's future. Unexpected help arrives from the Ice Kingdom, a parallel world that is home to the Ice Angels. Anything is possible if you truly believe in the power of your dreams. *Game Change* Ken Dryden, 2019-10-15

SHORTLISTED FOR THE BC NATIONAL AWARD FOR CANADIAN NON FICTION A GLOBE AND MAIL BEST BOOK. From the bestselling author and Hall of Famer Ken Dryden, this is the story of NHLer Steve Montador, who was diagnosed with CTE after his death in 2015. The remarkable evolution of hockey itself and a passionate prescriptive to counter its greatest risk in the future: head injuries. Ken Dryden's *The Game* is acknowledged as the best book about hockey and one of the best books about sports ever written. Then came *Home Game* with Roy MacGregor, also a major TV series in which he explored hockey's significance and what it means to Canada and Canadians. Now in his most powerful and important book yet, *Game Change*, Ken Dryden tells the riveting story of one player's life, examines the intersection between science and sport, and expertly documents the progression of the game of hockey: where it began, how it got to where it is, where it can go from here, and just as exciting, to play and watch how it can get there. *Leveling the Ice* Steven Sandor, 2025-09-16

A deep dive into the institutional racism and prejudice in the sport of hockey that persists across all levels and how it will impact the future of the sport. While professional sports leagues claim to promote diversity and inclusivity, institutional racism remains apparent in all sports, but especially hockey. In *Leveling the Ice*, sportswriter Steven Sandor challenges the perception that hockey is open to everyone and the idea that the hockey establishment wants more inclusion and diversity. Featuring interviews with NHL players of color like Darnell Nurse, Matt Dumba, Nazeem Kadri, Zach Whitecloud, Ethan Bear, Jason Robertson, Sandor reveals their stories of exclusion to highlight the deeply ingrained racism in the sport. The players share insights into the racism they faced while they built their careers, as well as the racism they still face today from the hockey establishment. From hockey's racist past to the ongoing reluctance of the hockey establishment to embrace

grassroots diversity initiatives Sandor delves into how members of communities of color who only make up 5% of the NHL are being driven away from the sport to more inclusive ones like soccer and basketball despite the NHL's expansion to new markets and demographics with billion dollar TV deals Comprehensive and timely *Leveling the Ice* grapples with how the institutional racism in hockey will directly affect the future of the sport

Writing the Body in Motion Angie Abdou, Jamie Dopp, 2018-05-01 Sport literature is never just about sport The genre's potential to explore the human condition including aspects of violence gender and the body has sparked the interest of writers readers and scholars Over the last decade a proliferation of sport literature courses across the continent is evidence of the sophisticated and evolving body of work developing in this area *Writing the Body in Motion* offers introductory essays on the most commonly taught Canadian sport literature texts The contributions sketch the state of current scholarship highlight recurring themes and patterns and offer close readings of key works Organized chronologically by source text ranging from Shoeless Joe 1982 to Indian Horse 2012 the essays offer a variety of ways to read consider teach and write about sport literature

Leaving Reality James Wollrab, Rob Collette, 2014-06-06 This is the unusual story of a young lad who grows up in Alaska with his life dominated by dreams of playing hockey in the National Hockey League His family and friends and home town all lend helping hands but he has to battle on all levels past a personal adversary who tries to block him with every step Only in the final chapter can we measure the success or failure of our young hero's life

They Call Her Kiddy Pat Manley, 2004 Join me in the quest and discover the many adventures of finding Kiddy and then meet her for yourself You will no doubt make an association with one of the characters and form your own bond the same as I did Follow me through a lifetime adventure as you join in the trials and tribulations of the matriarch of the Hluzek Valley Ranch in the small town of House Springs Missouri who they call Kiddy She still maintains the aura of elegance That is in spite of her callused hands and her pride at still being able to shoot a squirrel pilfering the birdseed from the wooden erected birdhouses scattered around the main farmhouse Her selected shot would ensure enough of the squirrel would be left for the skinning and ultimate feast that would follow

The Valley of the Fallen Donald Katz, 2001-10-09 Few writers can match journalist Donald Katz's ability to make an exotic locale familiar or transform an ordinary place into something peculiar if not completely weird *The Valley of the Fallen and Other Places* gathers a pastiche of stories from around the world each of which subtly underlines the relationship between geography and politics Locations counties regions of the world emerge as characters in Katz's panoramic cast as fully drawn as the unusual people that occupy them so that one realizes of each particular account that this could only happen in a place like this The setting for each of these pieces whether home or abroad provides a resonant backdrop for Katz's startling perceptions and cultural acumen He paints a portrait of Spain in which people are dying of political repression and vividly depicts Italy in the throes of a postwar capitalist hangover Katz describes Arkansas its history of racial strife notwithstanding as an American cultural ark where respect for old fashioned gumption and the tolerance for human eccentricity have fostered a renaissance

of spirit He captures the poignant ruin of political ideals gone amuck in the image of columns of Ethiopian children being herded through the night at gunpoint undergoing political re education Katz s observations of the Sinai where beliefs convictions even hunches become howling zeal contrast with Santa Fe s philosophical cogitating and quality of life improvement projects in a New Age mecca that breeds tamer but equally fervent faiths The cumulative effect of reading this eclectic collection is one of wonder about the mysterious and dazzling world in which we live and the way our lives are shaped by our place in it *Skating* John Moyer Heathcote,C.
