Into the Closet Victoria Flanagan, 2013-08-21 Into the Closet examines the representation of cross dressing in a wide variety of children's fiction ranging from picture books and junior fiction to teen films and novels for young adults It provides a comprehensive analysis of the different types of cross dressing found in children's narratives raising a number of significant issues relating to the ideological construction of masculinity and femininity in books for younger readers Many literary and cultural critics have studied the cultural significance of adult cross dressing yet although cross dressing representations are plentiful in children's literature and film very little critical attention has been paid to this subject to date Into the Closet fills this critical gap Cross dressing demonstrates how gender is symbolically constructed through various items of clothing and apparel It also has the ability to deconstruct notions of problematizing the relationship between sex and gender Into the Closet is an important book for academics teachers and parents because it demonstrates how cross dressing rather than being taboo is frequently used in children's literature and film as a strategy to educate or enculturate children about gender

Staged Kim Fielding, 2016-07-18 Hope and fear are a dangerous combination when you don't know where you stand Once the second prize winner on *My Slave's Got Talent* Sky Blue has spent the past few years singing at a failing New York nightclub While Sky has never had control over his fate his life seems to take a turn for the worse when he's torn from the familiar comfort of performing and sold to a rich and enigmatic man Morgan Wallace takes his newly purchased slave to San Francisco his intentions unclear On the one hand he treats Sky with more kindness than Sky has ever known treats him like a real person On the other hand he shares Sky at parties hosted by his sadistic new friends A confused slave is an endangered slave and Sky isn't even sure of his master's real name Is he Morgan Wallace wealthy and cruel or Mackenzie Webster caring and compassionate Caught between hope fear and an undeniably growing attachment Sky struggles to untangle which parts are real and which are merely a performance His future his heart and even his life may depend on it

Telling Sky Kris Owen, 2018-10-29 Telling Sky By Kris Owen In the beautiful White Mountains of New Hampshire the Pennacook Indian tribe evolves with each generation Traditions change and individuals adapt but the tribe's deep history grounds family members in faith love and understanding Three generations face hardship Oftentimes they find themselves wondering how tragedy fits into the grander scheme of life During these struggles they turn to the gods and the wisdom of their ancestors to guide them After her husband's life threatening accident Anna finds her life turned upside down Days that were once filled with laughter

and love have been replaced with hospital visits the beeps of medical machines and friends attempting to comfort her Soon after her husband falls in a coma Anna discovers that they are pregnant She s hopeful that this beautiful event will return her husband to her especially as she continues to feel his presence and even hear his voice throughout her days However she soon must face that her life will never return to the normal it once was and she faces a crossroad Will she continue to hang on to hope for the life she once had Or will she allow herself to move on and experience happiness once again And who will guide her daughter Sky through the challenges of life whenever she struggles to balance her past with her present **Ke**

An evocative debut YA novel about a grieving teenage girl who finds hope in a wild landscape **Replika: Sky's Mission**
Hugo Bernard, 2022-02-01 Described as The Matrix meets Inception They hacked her brother's brain Then sent him into the
simulation Sky must now get to him first the future of reality is at stake an absolute blockbuster of a tale that not only
absorbs every bit of your attention but will have you pondering about the nature of reality Pikasho Deka for Readers Favorite
Earth's ecological collapse is avoided when most of the world population agrees to permanently upload into a simulated
reality called Replika But the stability of the system is threatened when a group of neuroscientists hack their brains to
interact with the simulations in unforeseen and dangerous ways Sky devotes her life to rebuilding the real world left in the
shadows of Replika But when she learns her brother who disappeared under mysterious circumstances is in danger she must
choose which world needs her most All she wants is to find the brother she loves but she will unwittingly get entangled in a
ploy to redefine reality HUGO BERNARD masterfully weaves a highly original and fast paced sci fi thriller with a convincing
and thought provoking vision on how simulated reality will change our lives Replika is easily one of the best cyberpunk books
