The Crossover Novel Rachel Falconer, 2008-10-21 Highly recommended by Choice While crossover books such as Rowling's Harry Potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading Falconer remedies this lack with close readings of six major British works of crossover fiction and a wide ranging analysis of the social and cultural implications of the global crossover phenomenon A uniquely in depth study of the crossover novel Falconer engages with a ground breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory **The Trial of True Love** William Nicholson, 2011-01-28 Fast paced beautifully crafted and intellectually stimulating The Trial of True Love is a captivating exploration of the nature of love its elusiveness and most of all the universal human need to find it Bron is a thirty year old writer living in London a seemingly incurable heartbreaker and dodger of commitment He is fascinated by the
