## **Slaves Citizens Sons Legal Metaphors In The Epistles:**

**Slaves, Citizens, Sons** Francis Lyall, 1984-01-01      **From Slaves to Sons** Sam Tsang, 2005 Researchers on Greco Roman slavery formative Christianity and New Testament theology will surely benefit from this groundbreaking book a study of the Apostle Paul's slave metaphors in Galatians using the New Rhetoric Model as the lens of analysis From Roman slave laws in the first century C E to the text of Galatians this book provides an excellent test case for all other studies of first century metaphors parables analogies and other related genres Moreover this book demonstrates explicitly using examples and a clear step by step method to clarify the meanings behind Paul's metaphors      **Jewish Law and Early Christian**

**Identity** Yifat Monnickendam, 2020-01-09 Ephrem one of the earliest Syriac Christian writers lived on the eastern outskirts of the Roman Empire during the fourth century Although he wrote polemical works against Jews and pagans and identified with post Nicene Christianity his writings are also replete with parallels with Jewish traditions and he is the leading figure in an ongoing debate about the Jewish character of Syriac Christianity This book focuses on early ideas about betrothal marriage and sexual relations including their theological and legal implications and positions Ephrem at a precise intersection between his Semitic origin and his Christian commitment Alongside his adoption of customs and legal stances drawn from his Greco Roman and Christian surroundings Ephrem sometimes reveals unique legal concepts which are closer to early Palestinian sectarian positions than to the Roman or Jewish worlds The book therefore explains naturalistic legal thought in Christian literature and sheds light on the rise of Syriac Christianity      **Human Trafficking, The Bible and the Church** Marion

Carson, 2017-06-12 In this book Marion Carson brings us a profound interdisciplinary account of how Christians have engaged with slavery in the past and how they might respond in the future      *Colossians and Philemon Navigators*, The Navigators, 2018-05-08 Two crises in Colosse sent visitors to the Apostle Paul First an old friend brings news that false teachers are laying down rules and boasting of secret knowledge beyond the gospel Then a runaway slave begs Paul to ask his Christian master for mercy The letters Paul writes to handle these dilemmas remain foundational for understanding Christ and His work in us This Bible study on the books of Colossians and Philemon examine how Paul exalted Christ and affirmed a truly Christian lifestyle Personal study between meetings 11 sessions Includes study aids and discussion questions

**The Seven Cities of the Apocalypse and Greco-Asian Culture** Roland H. Worth, 2019-05-07 The companion to The Seven Cities of the Apocalypse and Roman Culture this study explores the social world in which early Christians functioned in Asia providing a comprehensive picture of life in this eastern province of the Roman Empire and focusing on how the local environment affects the interpretation of the book of Revelation The history population local culture economies and cults of each city are examined in detail Including data from hundreds of sources this volume should prove useful to students of both the Bible and Roman history as it bridges the gap between the two specialties and provides many details that enable the reader to imagine what life would really have been like in those ancient cities As such this study provides a valuable

supplement to the broader question of Rome's general impact upon the region traced in the Roman Culture volume. Although there are many works on the subject, this is the only place where all the information is pulled together. It is a useful resource for Scripture scholars, nonprofessionals with an interest in Bible study, professors and students of Scripture, and historians specializing in the first century CE.

*Letters to the Church* Karen H. Jobes, 2011-11-01. Respected New Testament scholar Karen Jobes explores the cultural and theological background of Hebrews and the general epistles James through Jude in this rich commentary. Writing from an evangelical perspective, Jobes addresses issues of historical relevance as well as how these ancient books connect with Christian faith and practice today. *Letters to the Church* includes historical background for each book, focusing on authorship, genre, date, and content. An exploration of the major themes in each book and detailed commentary on key passages. Boxes with chapter goals, outlines, challenges, and significant verses. Sidebars addressing difficult passages or ideas. Maps, photographs, charts, and definitions. Questions for discussion, reflection, and testing. A comparison of the teachings about Christ in each of the letters. Pastors, professors, students, and laypeople interested in deeper biblical study will find this an invaluable resource that offers well-researched commentary in an accessible, spiritually meaningful form.

**Origins and Method--Towards a New Understanding of Judaism and Christianity** Bradley H. McLean, 1993-09-01. This collection of essays is presented in honour of John C. Hurd on the occasion of his retirement as Professor of New Testament at Trinity College, Toronto, and in recognition of a distinguished career in the fields of Pauline studies and computing in the humanities. Given Professor Hurd's interest in Christian origins and methodology, it is appropriate that the contributors to this volume deal with the origin and development of various aspects of Judaism and Christianity. In particular, they highlight how a greater attentiveness to method has resulted in a reshaping of our understanding of Christianity or Judaism. The volume is divided into three parts: New Understandings of Paul, New Understandings of the New Testament, and New Understandings of the Relationship between Judaism and Christianity. Contributors include Walter Aufrecht, Karl Donfried, Robert Grant, John Kloppenborg, Gerd Ludemann, and Wayne McCready.

*Enslaved Leadership in Early Christianity* Dr. Katherine A. Shaner, 2018-03-01. *Enslaved Leadership in Early*

Christianity challenges readers to re think common perceptions about how enslaved persons participated in first and second century CE Christian communities Using archaeology and ancient literature the book destabilizes structures of domination and reimagines early Christian communities through the ambiguities of power     *The First Letter to the Corinthians* Roy E Ciampa, Brian S Rosner, 2020-05-21 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1 Corinthians taking full account of its Old Testament and Jewish roots and demonstrating Paula s primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes     *Perspectives on Eternal Security* Kirk R. MacGregor, Kevaghnn Mattis, 2009-05-07 Eternal security or personal assurance of final salvation constitutes the single most important matter of practical theology in the Christian tradition For the past twenty centuries no other doctrine has exerted such a direct impact on the lives of lay Christians driving their daily actions guiding their permanent choices and shaping their psychology From the New Testament period onward a diversity of views on biblical interpretation anthropology and divine sovereignty have produced numerous models of eternal security However due to the early modern fracturing of Protestant thought along Reformed and Arminian lines today most evangelicals equate eternal security with Calvin s perseverance of the saints In an ecumenical vein this collection of essays aims to remedy the knowledge gap by bringing a breadth of biblical historical and philosophical perspectives to bear on the question of eternal security These essays comprise the first print anthology from the online theological journal Testamentum Imperium an international forum founded and edited by Kevaghnn Mattis featuring scores of first rate articles from Christian thinkers worldwide on the topic of eternal security This book therefore analyzes Calvin s model of perseverance alongside views on eternal security ranging historically from Clement of Rome to contemporary developments in philosophical theology and process theology Furthermore this book explores and strengthens the biblical roots of eternal security through an illuminating host of thematic studies on whole books and exegetical studies on particular passages Hence this volume will profit all who are interested in the scriptural foundations and historical outworkings of eternal security

*God So Loved, He Gave* Kelly M. Kopic, 2010 *God So Loved He Gave* places the practice of giving within the larger story of God s generosity Here we discover how our participation in the overflow of divine giving is vitally connected to the Trinitarian nature of God the unfolding drama of Scripture and ultimately the Gospel itself     *Paul's Utilization of Preformed Traditions in 1 Timothy* Mark M. Yarbrough, 2009-01-01 Mark Yarbrough assesses the question of whether traditional preformed material contributes to the message and understanding of Paul s first letter to Timothy The issue is addressed in three sections Part one evaluates previous works interacting with traditional material in the New Testament Through a critique of historically proposed criteria Yarbrough identifies eight criteria as the primary tools by which to discern units of

preformed material In the second part of the book Yarbrough evaluates nineteen passages in 1 Timothy according to the criteria previously determined From this base he embraces twelve of the nineteen passages as preformed material These passages are subsequently examined in depth according to the author s distinct methodology Part three demonstrates four functions of the preformed traditions in 1 Timothy Firstly that they may be seen as strengthening the literary cohesion of the letter Secondly that the traditional units afford the author rhetorical leverage which may be best identified as the provision of authority the establishment of an instant rapport with the primary audience and the assistance conferred in addressing this implied audience Thirdly they present theological directives that confront the character and belief of the false teachers Finally Yarbrough asserts that the preformed traditions exist as a combatant against counter mission doctrine In conclusion this study displays that the traditional material which may be discerned within the letter contributes significantly to the overall message and understanding of 1 Timothy

**Adopted into God's Family** Trevor J. Burke,2016-02-11 In this New Studies in Biblical Theology volume Trevor Burke argues that the scripture phrase adopted as sons while a key theological metaphor has been misunderstood misrepresented or neglected He redresses the balance in this comprehensive study of the phrase This volume not only probes a neglected theme it also edifies says D A Carson

**Christ Identity** Sergio Rosell Nebreda,2011-03-09 Sergio Rosell Nebreda focuses on how the Philippian Christ followers received Paul s letter The social historical literary rhetorical anthropological and theological elements are dealt with in order to understand the effect Paul wanted to achieve The main thesis of the book is that the apostle Paul who greatly suffered at Philippi and writing from a prison desires to affect the Philippians believers to acquire a Christ orientation based on the values expressed in the Christ hymn Phlp 2 5 11 forms the core of Paul s theological narrative that aims at constructing a sense of imitatio and conformatio in the Christ following community Paul uses a friendly style in his letters in order to produce rapport and trust in the community presenting himself as exemplum ad imitando after that of Christ It is because Paul so fully identifies with Christ s orientation in life that the apostle presents himself as a slave of Jesus Christ In the midst of a society ill with the desire for honour and power the Christ narrative stands as a radical call for an alternative life style based on the exercise of humility which seeks the interest of others rather than focusing on one s own needs and desires Paul insists on the basis of the Christ hymn that such a life style reveals God s character and it is therefore a life rewarded Through the use of Social Identity Theory this book evaluates how ancient people constructed their group identity in daily life and how through a seemingly inferior model that of Christ s kenosis in 2 5 11 the community receives a re definition of values which are according to God s values and who has the last word in history Paul thus presents an alternative and viable way of life in the midst of a society he knows well

The Healing Words of Jesus James R. Beck,2000-12-27

**Conflict and Community in Corinth** Ben Witherington,1995-01-24 This commentary applies an exegetical method informed by both sociological insight and rhetorical analysis to the study of I and 2 Corinthians The study also analyzes the two letters of Paul in terms of Greco Roman rhetoric

and ancient social conditions and customs to shed fresh light on the context and content of the message

**Early Christian Ritual Life** Richard E. DeMaris, Jason T. Lamoreaux, Steven C. Muir, 2017-11-22 Scholars across many fields have come to realize that ritual is an integral element of human life and a vital aspect of all human societies Yet this realization has been slow to develop among scholars of early Christianity Early Christian Ritual Life attempts to counteract the undervaluing of ritual by placing it at the forefront of early Christian life Rather than treating ritual in isolation or in a fragmentary way this book examines early Christian ritual life as a whole The authors explore an array of Christian ritual activity employing theory critically and explicitly to make sense of various ritual behaviors and their interconnections Written by leading experts in their fields this collection is divided into three parts Interacting with the Divine Group Interactions Contesting and Creating Ritual Protocols This book is ideal for religious studies students seeking an introduction to the dynamic research areas of ritual studies and early Christian practice

**Knowing Who You Are** Malcolm J. Gill, 2015-06-10 Throughout the history of the church many excellent books have been written addressing the theological significance of Christian identity Such works have delineated important doctrines such as adoption justification and sanctification While these studies of being in Christ have been fruitful and numerous they have often neglected one of the most useful tools in understanding Christian identity namely the use of metaphor A search of Scripture reveals that Jesus and his apostles frequently utilized images from everyday life to illustrate spiritual truths about our identity In this fresh work Knowing Who You Are invites the reader to explore eight lesser known images of Christian identity found in the New Testament Among others the author investigates how being a Christian is like being a boxer in ancient Corinth a citizen in Philippi a farmer in Galilee and a sheep in a flock This engaging assessment of first century images will draw the reader in and leave them challenged encouraged and often surprised as they discover afresh what it means to be Christian

**neural network classifier file exchange matlab central** - Sep 04 2022

web nov 16 2014 this code is written for image classification using matlab newff function you can refer crab classification which is given in matlab help this is a supervised classification technique appropriate training areas are selected for each class training should be given to the neural network using training areas

*neural network code for image classification segmentation matlab* - Apr 30 2022

web aug 28 2015 i have written a code in matlab for neural network classification segementation the image after train the image but it is not working as

*create simple image classification network matlab* - Aug 15 2023

web define the convolutional neural network architecture specify the size of the images in the input layer of the network and the number of classes in the fully connected layer before the classification layer each image is 28 by 28 by 1 pixels and there are 10 classes

*create simple deep learning neural network for classification* - Jun 13 2023

web this example shows how to create and train a simple convolutional neural network for deep learning classification convolutional neural networks are essential tools for deep learning and are especially suited for image recognition load and explore image data

**train deep learning network to classify new images** - Apr 11 2023

web pretrained image classification networks have been trained on over a million images and can classify images into 1000 object categories such as keyboard coffee mug pencil and many animals the networks have learned rich feature representations for

*matlab code for image classification github* - Dec 07 2022

web this repo contains several matlab programs which can be used for building convolutional neural networks for image classification the included code contains several features handling imbalanced datasets via weighted bagging bootstrap aggregation k fold cross validation hyperparameter optimization finding poorly predicted instances

**neural network classification for images file exchange matlab** - May 12 2023

web oct 15 2020 this is a sample code for neural network classifier for images demonstration of a neural network classification algorithm for images the test has been done on the indiana pines dataset which is freely available the code is provided as is with no warranty

**neural network model for classification matlab mathworks** - Jul 02 2022

web a classificationneuralnetwork object is a trained feedforward and fully connected neural network for classification the first fully connected layer of the neural network has a connection from the network input predictor data x and each subsequent layer has a connection from the previous layer

**convolutional neural network cnn 7 layers image classification** - Feb 26 2022
