Sleep Has His House:

Sleep Has His House Anna Kavan, 2014-08-01 A classic later novel by Anna Kavan A largely autobiographical account of an unhappy childhood this daring synthesis of memoir and surrealist experimentation chronicles the subject's gradual withdrawal from the daylight world of received reality Brief flashes of daily experience from childhood adolescence and youth are described in what is defined as nighttime language a heightened decorative prose that frees these events from their gloomy associations The novel suggests we have all spoken this dialect in childhood and in our dreams but these thoughts can only be sharpened or decoded by contemplation in the dark Revealing that side of life which is never seen by the waking eye but which dreams and drugs can suddenly emphasize this startling discovery illustrates how these nighttime illuminations reveal the narrator's joy for the living world

Reconsidering Drugs NA NA, 2016-04-30 Lawrence Driscoll's fresh examination of the meaning of drugs from the Victorians to the present asks us to listen to historical and current voices whose positions on drugs are at variance with our truths Driscoll draws on the work of figures as diverse as William Burroughs Sigmund Freud Conan Doyle and Anna Kavan to shed light on different or silenced ways of talking about drugs and to offer us a historical counter memory The result of his work is to unsettle and disturb the familiar parameters that frame our discussion of drugs revealing that others are available positions which expose our own constructions as surprisingly limited

England's Hidden Reverse, revised and expanded edition David Keenan, 2024-01-09 An expanded edition of the classic exploration of the English esoteric musical underground with the first biography of Coil Current 93 and Nurse With Wound This newly expanded edition of England's Hidden Reverse the classic exploration of the English esoteric musical underground that includes the first and only biographies of Coil Current 93 and Nurse With Wound is based on exclusive interviews and unprecedented access to all three bands' personal archives Together these genre-defying bands and their circles represent the English underground in all its cultural artistic and sexual variety Over four decades the three intertwined groups have maintained a symbiotic yet uneasy relationship with the mainstream of popular culture even as their music beliefs and practices have repelled them from it There was a clandestine scene whose work accents the many occulted peculiarities of Englishness that flow through generations of outsiders channeling personalities as diverse as Aleister Crowley Arthur Machen Joe Orton Shirley Collins Björk and Marc Almond The story of this Hidden Reverse has necessarily remained a secret Until now This new volume contains almost 100 pages of extra material culled from Furfur a collection of interviews with musicians and artists whose careers intersected with the bands initially published alongside Strange Attractor's first limited edition of the book

British Experimental Women's Fiction, 1945–1975 Andrew Radford, Hannah Van Hove, 2021-08-23 This book scrutinizes a range of relatively overlooked post WWII British women writers who sought to demonstrate that narrative prose fiction offered rich possibilities for aesthetic innovation What unites all the primary authors in this volume is a commitment to challenging the tenets of British mimetic realism as a literary and

historical phenomenon This collection reassesses how British female novelists operated in relation to transnational vanguard networking clusters debates and tendencies both political and artistic The chapters collected in this volume enquire for example whether there is something fundamentally different or politically dissident about female experimental procedures and perspectives This book also investigates the processes of canon formation asking why in one way or another these authors have been sidelined or misconstrued by recent scholarship Ultimately it seeks to refine a new research archive on mid century British fiction by female novelists at least as diverse as recent and longer established work in the domain of modernist studies **Poetics of Disturbances** ,2024-10-28 This volume calls for a Narratology of Diversity by investigating

narratives of non normative bodies and minds It explores mental health representations in literature including neurodiversity the body mind nexus and embodied non normativities therein emphasizing the importance of understanding diverse psychological conditions as represented in narratives The contributions include perspectives from a wide variety of scholars of European North American and comparative literature and culture While post classical narratology has evolved through phases of diversification and consolidation this volume represents innovation in understanding narrative development to embrace new areas of social awareness including gendered narratologies specifically feminist and queer narratologies and post colonial criticism paving the way for a more inclusive narratology **Worlds of Sleep** Lodewijk Brunt,Brigitte

it lives among impassioned conversations and the work of beloved writers *Ice* Anna Kavan,2017-11-14 A dazzling and haunting vision of the end of the world *Ice* is a masterpiece of literary science fiction now in a new 50th anniversary edition with a foreword by Jonathan Lethem One might become convinced that Kavan had seen the future A half century after its first appearance Kavan's fever dream of a novel is beginning to seem all too real *The New Yorker* In a frozen apocalyptic landscape destruction abounds great walls of ice overrun the world and secretive governments vie for control Against this surreal yet eerily familiar broken world an unnamed narrator embarks on a hallucinatory quest for a strange and elusive glass girl with silver hair He crosses icy seas and frozen plains searching ruined towns and ransacked rooms all to free her from the grips of a tyrant known only as the warden and save her before the ice closes all around A novel unlike any other *Ice* is at once a dystopian adventure shattering the conventions of science fiction a prescient warning of climate change and totalitarianism a feminist exploration of violence and trauma a Kafkaesque literary dreamscape and a brilliant allegory for its author's struggles with addiction all crystallized in prose glittering as the piling snow Kavan's 1967 novel has built a reputation as an extraordinary and innovative work of literature garnering acclaim from China Miéville Patti Smith J.G.
